

Privacy Policy

Effective Date: July 12, 2026

DevicePassport ("the App") is developed and maintained by **BlueCraft Labs**.

We value your privacy. This Privacy Policy explains how DevicePassport collects, uses, and protects your information.

1. Information We Collect

DevicePassport is designed to work primarily offline.

The App may store the following information locally on your device:

- Device details (name, brand, model, serial number, IMEI, etc.)
- Purchase information
- Warranty information
- Service and repair history
- Photos and documents you choose to add
- Accessories information
- Insurance details
- Ownership history
- Notes and reminders
- App preferences and settings

All of this information is stored locally on your device unless you choose to export or back it up.

2. Personal Information

DevicePassport does not require you to create an account.

We do not collect personal information such as:

- Name
- Address
- Phone number
- Government identification
- Banking information
- Passwords

unless you voluntarily include such information in your own notes or uploaded documents.

3. Camera and Storage Permissions

The App may request permission to:

- Capture photos of devices
- Scan or attach invoices
- Upload warranty cards
- Save and retrieve images and documents from your device

These permissions are used solely to provide the App's functionality.

4. Internet Access

The App is primarily designed to work offline.

Internet access may be used only for optional features such as:

- Checking for application updates
- Opening external websites
- Sharing exported files
- Displaying advertisements (if applicable)

No personal device records are transmitted to our servers.

5. Data Sharing

We do not sell, rent, or trade your personal information.

Your data is not shared with third parties except when required by law or when you explicitly choose to export or share your own files.

6. Data Security

We take reasonable measures to help protect your information.

However, no method of electronic storage is completely secure. You are responsible for protecting access to your own device.

7. Backups and Exports

If you use the backup or export features, the generated files are created under your control and stored in the location you choose.

You are responsible for keeping exported files secure.

8. Children's Privacy

DevicePassport is not directed toward children under the age of 13.

We do not knowingly collect personal information from children.

9. Third-Party Services

Depending on the version of the App, third-party services such as Google Play Services or Google AdMob may be used.

These services operate under their own privacy policies.

10. Changes to This Privacy Policy

We may update this Privacy Policy from time to time.

Any updates will be reflected by revising the Effective Date above.
