

My name is Nathan Price. I have been teaching French for the last 17 years. My last nine years have been at Hamilton Southeastern High School. I fell in love with French language and culture in junior high while taking a foreign cultures course. I've also been a Montréal Canadiens hockey fan since I was a little kid. They spoke French, which also inspired me to learn it because I thought it was cool. I took a spring break trip to France in high school, and I was hooked. I am passionate about sharing my love of the French language and Francophone cultures with my students. I enjoy taking students abroad, especially to France, to experience the language and culture firsthand. This summer, I am taking a group of students to La Réunion for two weeks on a homestay immersion exchange. I am thankful to work in a World Language department with wonderful colleagues who are supportive of all languages. Outside of school, I love to run and play hockey (I'm a goalie). I am very humbled and grateful to receive this nomination. Thank you!
