

TFES Thursday Academic Plan Pickup

*For those TFES families (grades 2, 3, 4 ONLY) that are picking up hard copy “packets” for distance learning here is the schedule for Thursday’s pickup. Out of safety concerns for our school staff as well as the community we will be limiting the group size according to the schedule below. We are also asking for individuals who are picking up materials to remain in their vehicles, and pull up as cars leave the pick up lane. We will have staff available to assist with this process outside the cafeteria entrance doors. If you are unable to pick up materials during this time please call 285-6830 ext 126 or email sfanning@threeforks.k12.mt.us for more assistance.
