☐ NHS Website (Website QR Code→)

☐ All announcements, service opportunities, and service hours submission/checks will appear on our NHS Website.

☐ The website will include all that you'll need for NHS, such as:

☐ Available volunteering opportunities

☐ Google Forms (for Juniors and Seniors) for service hour submission and how to log hours

☐ Meeting Agendas

☐ Contact Information

☐ Scholarship information - now open!

☐ Once you finalize your application, send your brag sheet to Mrs. Zentgraf

☐ NHS Hours Policy/How to Log Hours

☐ All NHS members are required to complete **at least 15** hours of Corona-related volunteer work, and **at least 15** hours of community volunteering (non-Corona-related). We encourage going beyond the minimum of 30 hours for the school year!

☐ Review service hour expectations

☐ In general, we discourage double-dipping. Service opportunities should be self-initiated and not required for any other organization, club, sport, etc.

☐ What is double dipping? Counting required service hours more than once. For example, if your flag football team requires you to volunteer as a team at FMSC, it would be double dipping to count it for NHS too. If your online health course requires 10 hours of community service, it would be double dipping to log those same 10 hours for NHS.

☐ Log hours within two weeks of performing service. Ideally, immediately after!

☐ **New members-** Fifteen hours are due by Dec. 18 to be inducted in January. Hours of service before you received your acceptance letter do not count toward your hours.

☐ Upcoming Service Opportunities (QR Code→)

☐ Corona Opportunities

☐ After School Tutoring (ELA & Math)
