#### **Enrichment/Extra Credit**

- Research the role of local, state, and federal governments in the event of epidemics and compare this to their reaction to natural disasters such as Hurricane Katrina.
- Compare America's system of government to Germany's system of government and how differently the systems address the Coronavirus outbreak and what history led to the two different systems.
- Research the Woman's Rights Project at the ACLU created by RBG and explain the impact it had on women.
