

AOTY Situation

Juggernaut1914 was banned off the website of AOTY. He has been banned due to ban evasion despite JulianSant being on the site with his alternate account after being banned. The mods have constantly insulted Juggernaut1914 who has many reviews saved up to post on the site including a 4 page Mr Morale review. They also insulted Juggernaut1914 for being 13 which is a legible age for the site. The mods also want to ban most of the popular users on the site. After Juggernaut1914 sent many appeals to be added back, they never responded until it was convenient

Here's the evidence off discord::

what exactly did I do?

@Bot10Exists I just wanted to talk cause I knew you from my past account

FutureGenies 1 hr
@Bot10Exists why did you give DAMN a 4.5/10 for being soulless and then said it doesn't deserve more of your time like a stack of papers. Are DUCKWORTH, PRICK, DNA, TEAR and LOVE soulless and what's categorize as soulless for you when Goldplay and Maroon 5 are your favorite artists.

Bot10Exists 1 hr
@FutureGenies if you'd have a look at my bio you'd know my favorites are a partial representation of what I've been into lately, got to get to bed, can't have a full convo today, also, what was your past account?

@Bot10Exists can't really tell or else it y'd be problems but I liked Cole a lot and had disturbing comments for The Fall Off

they're obsessed with jespin

Tektonic @theswampgizzo Okay i can see how that is bad. But to begin with yall banned him when there were way worse people in the comments. There is a guy named Jespin who did way worse stuff in the comments but yall suck him like crazy.

The constant messages in Rob's shout box should be
done though cause apparently juggernaut blocked
everyone in that circle over a stolen after hours review

Mark As Read

for a 13 year old, it's quite good

@astrid i read it in full it's too long and bloated

Julian 4:49 AM

Ay but longer and more bloated isn't necessarily a bad thing
he's just pouring his heart out

astrid 4:49 AM

ok but why read reviews by a 13 year old when i could read reviews by adults

blue (dumbass) 4:49 AM

oh my fucking godddddddd

@Julian Ay but longer and more bloated isn't necessarily a bad thing

astrid 4:49 AM

most of the time yes

@astrid ok but why read reviews by a 13 year old when i could read reviews by adults

Julian 4:49 AM

why was AOTY made then?
