

2023 Call for Health Science Presenters!!

Conference for Health Science Teachers - July 18-19, 2023

The conference will be held in College Station, TX at the Texas A & M Hotel and Conference Center

Sponsored by

Greetings from THOA!

If you are a health care provider, company, or teacher and would like to present a health-related topic, skill, concept, or your best practice in the classroom that would benefit a health science teacher, please consider this opportunity. The conference offers a great opportunity to share your best practices in healthcare with colleagues from across our great state. It is also a good opportunity for healthcare providers to showcase their latest and greatest technologies and skills to the perfect target audience. THOA is seeking two types of presentations for our upcoming conference. The details for both types are outlined below with the links to the proposal form for each type of presentation. Please read carefully and decide if you would like to present one or more of the following types of presentations.

In-person 45-minute presentation at our general conference Tuesday 7/18 or Wednesday 7/19

In-person presenters will receive a certificate awarding 3 CPE credits for their presentation.

60-minute recorded presentations

If you can't join us in person, consider submitting a 60-minute recorded presentation to include in our virtual online courses for teachers who cannot attend the conference in person. If your recording is approved for this conference, presenters will receive a certificate awarding 3 CPE. Recorded presentations will be reviewed and chosen as submitted.

For both the In-person 45-minute presentation and the 60-minute recorded presentation, please click this [Proposal Link](#).

Thank you for your consideration in being part of our 2023 conference. Please share this link with any potential presenters. For more information about THOA and the conference visit www.thoainc.org.

Please contact conference@thoainc.org with any questions.

Texas Health Occupations Association THOA, INC is dedicated to providing current and relevant resources to Texas teachers through a variety of means. We strive to keep members up-to-date with TEA and legislative changes, as well as provide professional development opportunities, recognition of achievements, and scholarships for students and teachers.
