2026 Spring Conference

Widener University • Friday, March 13, 2026

Call for Proposals

Flexibility Is Our Superpower!

The Pennsylvania/New Jersey Chapter of the College Reading and Learning Association is preparing for our Spring 2026 Conference. The Chapter invites professionals interested in presenting on student achievement and active learning to submit proposals for a 50-minute presentation.

Prospective Presenters:

Returning and new presenters are welcome to submit proposals as we prepare for sharing and exchanging best practices and connecting with college-level professionals, faculty, staff, program directors, managers, administrative and learning assistants, and professional and student tutors.

Abstracts in the following areas will be considered.

PLEASE NOTE: Presentations that address the conference theme will be given priority.

• Accessibility Services • Action Research • Artificial Intelligence (AI) • Assessment of Learning Centers, Tutors • Brain Compatible Teaching/Learning • Case Management • Computer-Assisted Instruction • CRLA/ITTP Certification • Diversity Equity and Inclusion Practices • Developmental Education • Instruction of English Speakers of Other Languages(ESOL) • Graduate & Professional Student Successes • Learning and Study Strategies	• Learning Communities • Learning and Tutoring Centers • Learning Theories • Library Resources • Mentoring and Coaching • Peer Assistance Programs • Peer Mentoring Programs • Remote and Asynchronous Instruction/Tutoring • Research and Evaluation • Supplemental Instruction • Structured Learning Assistance • TRIO/EOF • Other ideas and innovations
---	--

“Tutor Track” sessions could address tutoring philosophy, tutor-training, effective tutoring techniques, content tutoring, study and communication skills, learning competencies, and strategies for working with a diverse population of students. The ***“Tutor Track”*** sessions are recommended for peer, master, and professional tutors, and experienced student and professional tutors are welcomed

and encouraged to submit proposals.

Proposal Deadline:

Please submit your proposal by **Friday, February 20, 2026**. Upon submission of your proposal, a confirmation notice will be emailed to you.
