

## **Virgin Rim – Lost Hunter and Bristlecone Pine Loops – Saturday, July 11 at 8:00 AM**

**This hike will be composed of two shorter hikes taken in succession. The first hike, the “Lost Hunter,” is 2.3-mile loop trail near Duck Creek Village, Utah. Generally considered a moderately challenging route, it takes between 1 hours and 20 minutes to 2 hours to complete. This trail is great for hiking and walking, with beautiful pine forest views. You're almost guaranteed to see deer somewhere on the trail.**

**The second one, the “Bristlecone Pine,” is a 0.6-mile loop trail near Cedar Breaks. Though relatively short and easy to moderate in difficulty, it offers wonderful views of the north fork of the Virgin River and the northern end of Zion National Park among the spruce, fir and bristlecone pines.**

**The best times to visit these trails are May through September. Dogs are welcome and may be off-leash in some areas. Temperatures range in the mid-seventies during July; while it is over 100 degrees back in St. George!**

**If you'd like to go, meet at the Walmart Supercenter parking lot at 625 W Telegraph St. in Washington, Utah on Saturday, July 11 at 8:00 AM in the north corner of the lot along Telegraph Street. We will then carpool to the Virgin Rim via I-15 and UT-14. Or you can meet the group at the entrance of Duck Creek Campground if you'd like (we expect to arrive there at about 9:30 AM; see the map included below). Please**

**contact Dana either via email, text or by voice if you plan to meet us there so we will be looking out for you!**

**Remember to bring 1-2 liters of water, snacks, comfortable walking shoes; maybe a lunch and dress appropriately for the weather (suggest layering your clothing so you can adjust to any changes in temperature).**

**Trip Lead: Dana Smith. Hope to see you there!**
