Here is the interactive map for the opportunity zone search.

- Location Review App (arcgis.com)

Then do the following:

1. Check off the box for "**Qualified Opportunity Zone**" on Layers on the left side of the screen.
2. Enter your business address *(or your home address if it's a home business)* in the "Find address or place" field.
3. Click on the magnifying glass icon 🔍 to search.

*If your address appears within the light purple area on the map, then you qualify for the deferred payment loan program.
