#24 Throne of Glass MADlibs

Using Chat GPT for the only thing it is good for - making us laugh or cry. We asked AI to give us a prompt for Madlibs loosely based on Throne of Glass. Kristin and Bobbi fill in the blanks and hilarity ensues. Tune in for the chaos. ~~hear the chaos~~ ~~that was the end result~~.

Alternative: We use Chat GPT to generate Throne of Glass based madlibs, hilarity ensues.

Alternative #2: We had Chat GPT write our episode. Enjoy.

Great! Here's your "Throne of Glass" Mad Lib filled in with your words:

Once upon a time in the kingdom of Terrasen, a fierce and bold assassin named Bobbi was summoned to the royal palace by King Dorian. The king had a top-secret mission for Bobbi, one that would test her skills to the limit.

The king explained that an evil Salamander named Erawan had stolen the legendary door knocker from the royal treasury. This door knocker had the power to mind reading, and its loss threatened the safety of the entire kingdom. Bobbi agreed to track down Erawan and retrieve the door knocker at any cost.

With her trusty dagger in hand, Bobbi embarked on a perilous journey. Along the way, she encountered a band of bold demons, who offered her 13 magical books to aid in the quest. With books in her possession, Bobbi felt more confident than ever.

After 13 days and nights of relentless pursuit, Bobbi finally cornered Erawan in the toilet. A fierce battle ensued, with Bobbi wielding her dagger with unmatched skill. In the end, Bobbi emerged victorious, Erawan lay defeated, and the door knocker was safely returned to the royal treasury.

King Dorian was overjoyed and rewarded Bobbi with the title of Jester and made her a generous ruler of the kingdom. Bobbi ruled with wisdom and courage, ensuring Terrasen prospered for generations to come.

And so, the tale of Bobbi, the bold assassin who saved Terrasen, became a legend whispered among the people for centuries.
