

Plant Usage Collage Project

- Each of you will be assigned a specific use of plants in your daily lives:
 - Food, Clothing, Shelter, Paper, Human appeal (landscaping and floral), and Other (fuel source, hobby-gardening, medical application).
- Your assignment is to create a collage of pictures representing your assigned usage.
 - Your collage can be made with magazine or hand-drawn pictures, but it must be in the shape of something related to your usage.
 - For example, if you are assigned food, it could be in the shape of a pizza slice.
 - Requirements:
 - Minimum of 12 pictures
 - A title of the usage you were assigned.
 - One 5-sentence paragraph stating how plants are important in your daily life as it relates to your assigned usage.
 - For example, if you are assigned food, talk about everything you eat that is plant-related...

Plant use: _____
