D’EVELYN JR/SR
ACCOUNTABILITY COMMITTEE

BTS night speech sample

Good afternoon! My name is _____ and I’m the parent of a D’Evelyn _____. I’m here to speak to you about the Accountability Committee and invite you to our first meeting which will take place on _____ in the school Library. I'll serve as the Accountability Chair for this school year, alongside a dedicated team of parents: _____.
Our main goal is to foster a closer collaboration between parents and the school, while cultivating an interactive and engaged community for our students and families.
Part of our duties include creating a School Improvement Plan, establishing subcommittees, and keeping everyone updated with news from the Principal, Administration, Student Council and other committees.
We will continue to host parent group discussions, as it's a great way to meet other parents and provide feedback to help shape the school improvement plan. We also value your input on prospective speakers and hope you can join some of the subcommittees.
Future meetings and details will be communicated via email and Jagtracks, and we will be handing out flyers today as well. If you sign up in advance, this would be really helpful!
We hope to see many of you at the next meeting!
