TERMS & CONDITIONS (aka: The Fine Print I Hope You Read)

- Don't be weird. Seriously.
 - No refunds unless I spontaneously combust.
 - If you ghost me mid-commission, I reserve the right to turn your character into a gremlin and sell it to the underworld.
 - I'm not Amazon Prime. Art takes time. Patience is a virtue — or at least a requirement.
 - If you ask for "just a little tweak" after I finish, I will cry. Loudly. In Comic Sans.

PEOPLE WHO COMMISSIONED ME (aka: Brave Souls Who Risked It All)

Here lies a list of legends who threw Robux at me and are hoping for the best. All will get *something*.

Want your name here? Pay up and pray.

FINISHED PAIN (aka: The Gallery of Suffering)

Behold: the art I actually finished. Each piece is a testament to Sprite, chaos, and questionable decision-making.
