

RHS AFTER HOURS SCHEDULE 2023-2024

After Hours Bussing

RHS offers a bus home at 3:40 PM on Mondays and Wednesdays. If you would like to utilize this transportation, **you will need to speak with your academy office** so they can add you to the list. Unfortunately, students can't just "show up" for bussing; our drivers need to be able to determine a route to get everyone home.

RHS Clubs 2023-2024

Romeo High School has 30 clubs to reflect a vast array of student interests. The document below has information on all our 2023-2024 clubs including seasons and contact information.

RHS Clubs 2023-2024 - *Document will be available soon. Still making sure all information is up to date*

Media Center is Open

Monday - Thursday, from 2:30-3:30, the RHS media center is open for students to have a quiet place to work, read, get homework done, or work on their online classes. Teachers are available if students need any support (more information below) and there will be snacks available as well. This is at no cost to our families, so please take advantage!

Tutoring

RHS/9GA offers free after school support to all RHS, 9GA, and RVA students during the days and times listed below. There will be a dedicated math tutor and additional teachers for general support (subjects they teach in parenthesis, but they can help with almost any subject).

	9th Grade Academy 2:30 - 3:30 9GA Collaborative Space	Romeo High School 2:30 - 3:30 RHS Media Center
