

Privacy Policy for USA Quiz knowledge App

Welcome to the USA Quiz App. We value your privacy and are committed to being transparent about how we handle your information. This privacy policy outlines what information we collect and how we use it.

1. Information We Collect

We do not collect any personal information from our users. Our app is designed to provide a simple quiz experience without requiring you to provide any personal data, such as your name, email address, or any other identifying details.

2. Quiz Data

While using the app, you will answer quiz questions. We store the answers you select during the quiz to calculate your final result, showing you how many answers were correct and how many were incorrect. This data is only stored temporarily during the quiz session and is not linked to any personal identifiers.

3. No Data Sharing

Since we do not collect or store any personal information, we do not share any user data with third parties.

4. Security

We take reasonable measures to protect the data stored within the app during your quiz session. However, since no personal information is collected or stored, the risk of data breach is minimal.

5. Children's Privacy

Our app is suitable for all ages and does not collect any personal information. Parents can be assured that their children's privacy is protected while using our app.

6. Changes to this Privacy Policy

We may update this privacy policy from time to time. Any changes will be reflected in this document, and the updated version will be available within the app.

7. Contact Us

If you have any questions about this privacy policy, please contact us at [Your Contact Information].

By using USA Quiz App, you agree to this privacy policy. Thank you for choosing our app.
