

Keiser Arrieta Commission

Terms of Service

TOS MUST BE READ AND AGREED TO BEFORE COMMISSION IS ACCEPTED

GENERAL

- The commissioner will receive a **digital product** as a result of this commission, and no physical copies will be sent nor promised. **There are no refunds on completed commission.**
- Changes to the commission must be requested when the sketch is shown for approval. Additional changes will not be made beyond the sketch check-in phase, unless a noted mistake was made on my end that needs to be corrected. I retain the right to limit the number of changes depending on the complexity of the piece. Additions to the piece following completion will cost additional fees.
- Sketches sent for approval are not to be redistributed by the commissioner or modified/completed by other artists unless agreed upon by the commissioner and myself.
- I will not take on commissions in which I am asked to imitate or replicate the art style of another artist.
- Unless otherwise negotiated, I reserve the right to post the completed commission on my social media.
- I do not authorize the tokenization of my works into Non-Fungible Tokens (NFTs), or any similar practices. If any NFTs are discovered using my work, a DMCA will be filed to remove them and you will be banned from all future services with me.
- I do not authorize the download and use of my works for AI database training.
- Unless otherwise negotiated, the commission process may be streamed to twitch or youtube.
- Please provide sufficient reference and description and/or brief for your commission
- I have the right to refuse your commission request

PAYMENTS

- Payment is upfront **ONLY**.
- Work starts after receiving the funds.
- In very specific cases 50% upfront and 50% after completion can be negotiated.

PROCESS STEPS

- You give the details about the commission.

- After we agree, you will pay the full payment.
- I will start making the commission after you pay,
- I will also give updates for each step, sketch > lineart > finishing.
- I will send you the final image in high quality.

REVISIONS

- You can make until 5 revision in the sketch phase. After that I only accept minimal changes
- Minor adjustments do not count toward this unless they are very frequent.
- I will inform the client if a change is significant or not.

DEADLINES AND DELIVERY

- The standard wait time for completion is usually 2 to 6 weeks, for most illustration jobs. Depends on the workload and type of project.
- This wait time may be longer, and I will inform you if that is the case.
- I will do my best to finish your order asap so some projects may be finished earlier than specified.

USE

Personal use only, highly prohibited for NFT or AI usage. Commercial use such as re-selling and using it for monetized social media banner require extra fee.

INTELLECTUAL PROPERTY RIGHTS

- Credit me if you want to use the art anywhere.
- Using it for freebies is allowed.
- I still have full rights for the illustration I made.
- I'll post the commissioned result on my social media/portfolio website.

REFUNDS

- No refunds after sketch is approved.
- If I can't finish the illustration due to several reasons, I will give full refund regardless of the stage for the drawing.

IMPORTANT: This does not apply if the deadline missed was due to sudden (i.e close to the deadline) or multiple consecutive changes from the client. This exception is a counter-scam/trolling measure
