

Whole School CCTV Policy

Phase of school this policy relates to

Early Years	Primary	Secondary	Whole School
-------------	---------	-----------	--------------

Date created:	January 2020
Date reviewed:	April 2025
Next review date:	Summer 1 2026/27
Policy lead staff member:	Leanna Barrett
Link governor:	Cecily

CCTV cameras are installed around the Liberty Woodland School Morden Lodge site and car park.

These are for the safety and security of the building and are not switched on during school hours. They are not functional and do not record any images during the opening hours of Liberty Woodland School.

Outside of school hours, when the sensors detect intrusion the proprietor James Barrett receives an alert and takes appropriate action.
