

## K-II After School Activities (ASA) - Fall 2022

The fall session begins on **Monday, September 19, 2022**, and ends on **Friday, January 13, 2023**.

*Lower School ASA Coordinator: Ms. Betsy Hulton*

### **Schedule: Monday - Friday**

3:00 - 3:30 p.m. Snack (provided by Marymount)

3:30 - 4:30 p.m. Class in session

4:30 - 6:00 p.m. Extended Day

There is no Extended Day coverage after 6:00 p.m.

### **Fall 2022 ASA will not be in session on the following dates:**

<i>Monday</i>	October 10	History of the Americas Day
	January 2	New Year's Day Observed

<i>Wednesday</i>	November 23	Thanksgiving Holiday
------------------	-------------	----------------------

<i>Thursday</i>	November 24	Thanksgiving Day
	December 15	Christmas Pageants

<i>Friday</i>	October 7	All Staff Retreat
	November 4	Parent/Teacher Conferences
	November 25	Thanksgiving Holiday

**ASA will not be in session Friday, December 16 through Monday, January 2, due to Christmas break.**

### **Registration Procedures**

- To register and pay, please click the Marymount *Activities Registration* button on the Resources page of the parent portal or click this link: <https://marymountactivities.campbrainregistration.com>
- Please only select **one** class per day
- If there is space remaining in the class, you will be able to "Add to Cart" and then check out. When a class has reached maximum capacity, it will indicate "Full." Once your payment is received, you will receive a payment confirmation email with an attached receipt/statement.
- If you have any questions regarding registration, please contact Ms. Betsy Hulton at [ehulton@marymountnyc.org](mailto:ehulton@marymountnyc.org)

**Registration ends on Friday, September 9, 2022.** If necessary, we reserve the right to cancel activities with insufficient enrollment, modify classes, or change faculty assignments.

### **Refunds**

There will be no refunds after the first week of classes or September 23, 2022, whichever comes first. There will be no refund or reduction of fees because of absence, withdrawal, unexpected school closures, or early dismissal. Cancellation and refund requests must be made in writing and must be submitted to the program coordinator, prior to the dates stated above.

## **Cancellation**

Marymount reserves the right to cancel any programs due insufficient enrollment, modify classes or change faculty assignment. In the event a cancellation is made, the program coordinator will provide the parent with an option to switch to a program with open spots, or if no open spots are available a refund will be provided. Marymount may suspend After School Activities immediately without notice during periods that the School may close because of force majeure events including, but not limited to, fire, acts of God, war, acts or threats of terrorism, governmental action, medical epidemics, pandemics, outbreaks, natural disaster or any other event beyond the School's control. A force majeure event will not result in a refund for any program.

## **Questions**

*Unless otherwise indicated, all classes are taught by Marymount teachers.*

## **MONDAY**

### **1. Chess Club (K-II)**

Chess is an exciting game of strategy that helps develop analytical and problem-solving skills, self-control, and concentration. Taught by Tri-State Chess leaders, class time is divided between instruction and guided play. All levels of experience are welcome, and each girl learns at her own pace. Throughout the semester, there are tournaments (off campus) where the girls will represent Marymount on the chess team and play for trophy prizes.

### **2. Mad Science: Junior Explorers (I-II)**

Join Mad Science this session and discover why science is the real star on the big screen. You'll create cool sound effects and build your very own robot hand to take home in a class that focuses on technology. Harness the sun's heat and ramp up a power generation station. Get linked into a network and work with radio signals. Conduct hands-on experiments that will provide the opportunity to explore the force of gravity and even defy gravity! Some of the classes in this session include: *Movie Effects*, *Sonic Sounds*, *The Science of Toys*, *Radical Robots*, *Great Gravity*, and more.

### **3. Merry Players (K-I)**

Come one, come all to this after-school hour of fun and creativity! Join Four Corners Creative and participate in a class where you will improvise, develop, and hone your acting skills. The class will incorporate music, dance, and drama while you explore some of your favorite fairy tales, literature, and musicals! You will gain skills in storytelling, public speaking, and performing while building your confidence and self-esteem. The class will focus on an end-of-the-semester performance of a popular book or musical!

### **Extended Day 4:30 p.m. - 6:00 p.m. (\$100)**

**This is a supervised study period with a Marymount staff member where students may be picked up at any time between 4:30 and 6:00 p.m.**

## **TUESDAY**

### **1. Crack the Code (K-II)**

Computer science and coding are fun, collaborative, and creative! Join Marymount teachers to learn basic computer programming, logic, and problem solving. Coders will embark on "The Fastest Ozobot STEM Engineering Challenge," learn to program their own Ozobot fairy tales, learn basic HTML, and code stories with a variety of characters, dialogue, and settings and games with points systems and various levels on ScratchJr and Scratch. Students will use a blended learning model, with a mix of online, self-guided activities as well as "unplugged" time with no computer at all!

### **2. The Creative Kitchen (K-I)**

Join Marymount teachers and get ready to whip up age-appropriate recipes with a twist. Make dishes inspired by different cultures, traditions, and stories! Would you like to make some edible art? Students will create and enjoy individual, edible food crafts. The Creative Kitchen will cook up some amazing recipes and teach students about healthy eating in a fun way.

### **3. Broadway Bound (II) *NEW PRODUCTION!***

Building the bridge between Merry Players (K & I) and Rising Stars (III), Broadway Bound will be a musical theater experience that incorporates music, dance, and drama, while continuing to explore our favorite stories and theater games. Under the guidance of Four Corners Creative, Broadway Bound will add improvisation skills, dance basics, public speaking, and leadership skills to the actor's toolbox. This class will build confidence and foster an appreciation of theater and the performing arts. Then lights, camera, action...the semester will end with a full musical performance!

**Extended Day 4:30 p.m. - 6:00 p.m. (\$100)**

**This is a supervised study period with a Marymount staff member where students may be picked up at any time between 4:30 and 6:00 p.m.**

## **WEDNESDAY**

### **1. Chorus (I-II)**

Do you love to sing, have fun, and share your talents? Then come and sing with us! Chorus offers students an opportunity to strengthen their performance skills, participate in a vocal ensemble, and share their accomplishments with a wider audience.

### **2. Pins and Needles (K-II)**

Join Marymount teachers for this exciting knitting and sewing class. Students will learn basic knitting and sewing skills, and then use those skills to create stuffed animals, pillows, bags, and more. This class is an excellent opportunity to build fine motor skills, work alongside peers, develop a new talent, and create beautiful and useful items to be proud of! All materials provided.

### **3. Yoga (K-II)**

In these hectic times, everyone needs a little down time. In this after-school program, students will learn how to utilize their down time to relax as well as settle their bodies and minds. Through yoga sequences, breathing techniques, and mindfulness and meditation activities, students will reap the calming benefits of each practice. They will come away with many helpful tools that will help to improve their self-confidence, cultivate emotional and mental health, develop strength and flexibility, and relieve stress and anxiety. All levels welcome! Yoga mat provided, if needed.

**Extended Day 4:30 p.m. - 6:00 p.m. (\$100)**

**This is a supervised study period with a Marymount staff member where students may be picked up at any time between 4:30 and 6:00 p.m.**

## **THURSDAY**

### **1. Awesome Accessories (K-II)**

They say an outfit is never complete without interesting accessories, and a room is never complete without beautiful objects. Discover your own unique fashion sense and create some super bling! Extend your design abilities to imagine accessories for your home and craft fashionable objects that will enhance any room. Learn about design and planning - all while fashioning your own style and building fine motor skills! All materials provided.

## **2. Irish Dance (K-II) *NEW!***

Join Marymount teachers to learn Irish step dance and Irish Ceili dance. Students of all abilities are welcome to come explore the social, competitive, and performance aspects of Irish dancing. This class will foster creativity, bodily awareness and control, fitness, and confidence. Students will experience Irish culture and history, as well as prepare for an end-of-semester performance!

## **3. Aerobics/Track (I-II)**

Your teachers are ready to get moving! In the colder weather, we will be learning some indoor aerobic games and routines, stretching, and toning as well as going for runs through the park, weather permitting. Students will warm up, stretch their muscles, learn to breathe properly, and enjoy exercise at their own pace. Remember to wear sneakers, bring comfortable clothes, and a water bottle.

**Extended Day 4:30 p.m. - 6:00 p.m. (\$100)**

**This is a supervised study period with a Marymount staff member where students may be picked up at any time between 4:30 and 6:00 p.m.**

## **FRIDAY**

### **1. Marvelous Makers (K-I)**

Join Marymount teachers in the Tinker Lab for an afternoon of making! Students will create a variety of colorful science-focused art projects, design and build using materials from our dedicated Tinker Lab, and learn about the world around them through activities and mini-lessons.

### **2. Cook to Connect (I-II) *NEW!***

Cooking can be creative, full of discovery, and a whole lot of fun! Each session you will travel around the world, tasting delicious cuisines from various cultures. Join us as we embark on this culinary road trip!

### **3. Taekwon-Do (I-II)**

In this class, students will be taught by Master Eisenstein, a sixth-degree black belt, who has been training since he was six years old. The focus of the class is not on sparring or competition, but on the history of the art, traditional forms, technique, discipline, and self-defense. Each class includes basic techniques, kicking drills, forms, partner work, self-defense situations, and group activities. Students will improve their social responsibility, self-confidence, leadership, coordination, and fitness through a diverse and cultural experience of one of the oldest forms of martial arts. A uniform will be provided. The semester will culminate in a Promotion Test.

**Extended Day 4:30 p.m. - 6:00 p.m. (\$100)**

**This is a supervised study period with a Marymount staff member where students may be picked up at any time between 4:30 and 6:00 p.m.**
