

Boerne High School Band Boosters

[Providing encouragement and financial support to BMSN, Voss MS, and BHS Band Programs](#)

Dear Community Sponsors,

The Boerne High School Band Boosters is a volunteer-run non-profit 501(c)(3) organization that supports the Boerne High School, Boerne Middle School North and Voss Middle School band programs. With support from the community and local businesses, we can provide enriching opportunities to students that supplement and complement the musical education that the local school district offers. We are seeking monetary donations to assist with meeting the needs of the band program, which is in addition to the finances received through student participation fees and fundraising.

Community and business donations help the Boosters provide the band programs with marching and concert music, marching choreography, all marching and color guard props, supplemental instruction, transportation assistance, new instruments, and instrument repairs or replacements. While our school district provides for the fundamental needs for the band program, the Boosters step in with financial support to provide all additional needs. To do this we are asking for support and your tax-deductible donation will help us achieve our goals of providing the structure and resources for a great band program.

The BHS Band Program is more than music for these students—it is teamwork, physical activity, personal accountability, and dedication. Here they learn resilience and find friendship. For some, it is a reason to keep going to school. Thank you in advance for supporting the Boerne Greyhound Bands. When you give to the BHS Band Boosters, you are giving to an amazing group of students.

Sincerely,

Boerne High School Band Boosters
