

Good morning Sharon

SL: Only open if you want to be Africa's No. 1 Skincare Brand

My name is Nana Kwame Oduro-Adusei Esq, I am a Ghanaian lawyer and digital marketing analyst.

I have been familiar with Kaydua Luxury Living for the last two years and a user of your products.

I have witnessed firsthand the benefit and effectiveness of using Kaydua Luxury Living products.

In addition to the above, I have been very impressed with the Kaydua Brand that you have created and from the research

I am confident that Kaydua has the potential to be a powerhouse in the African market, as well as globally.

Based on the research and analysis of the top global brands in the industry, Kaydua can grow to replicate, in your own way, the success these businesses have had.

I am aware that you are slowly entering into other markets within Africa, such as Zimbabwe and Nigeria, with later ambitions to enter the European markets.

I am confident that if you are successful in breaking into the African and European markets the sky's the limit in terms of the business growth and profits.

The use of technology will be a key factor in helping your business grow.,

For example the use of social media, and increasing Kaydua's online presence will play a big role in the future of your brand.

I am interested in partnering up with a local business such as yourself that has the hallmarks of success and helping you achieve the goals you have set out to achieve.

I look forward to hearing from you.

Regards

Nana Kwame Oduro-Adusei Esq
