

May Newsletter

End of Year Testing will take place this next week May 3-7. Due to COVID-19 procedures, we will not be able to test as many students at once, as we usually do. Students with last names starting with A-K will be tested Monday-Wednesday morning. Students with last names starting L-Z will be testing Wednesday afternoon and Thursday and Friday morning. Please report to the following rooms' for testing:

Last Name	7th	8th
A/L-N	201	101
B-C/O-Q	202	102
D-E/R-S	203	103
F-I/T	204	104
J-K/W-Z	205	105

Our school has received a \$15,000 donation from a very generous donor. Our donor wants these funds to be used to motivate students to perform well on End of Year Testing. We are happy to announce that any student that receives a 90% on an End of Year Test will receive a check for 50 dollars for each test that they meet the 90% standard. Good luck to all!

Students, remember to be exempt for semester tests you must have met the following criteria:

- A or B in the respective class
- No more than 3 excused absences
 - Any unexcused absence will require students to take each of their tests, regardless of their grade.
 - Just a reminder that an excused absence must be approved by an administrator and requires a doctor's or parent note.
- You must have paid all library and cafeteria fees

All library and cafeteria fees are due by May 17th. A failure to pay these fees will forfeit any exemptions to semester tests and will have to come to school on semester test days: May 25-27. All fees will carry over to next year, even for 9th graders moving up to high school. All fees should be provided to you by your homeroom teacher. Please pay your fees!

The following teachers and faculty are retiring at the end of this year. Feel free to pay respects or visit former teachers that are retiring and/or write them a farewell note. The following staff are retiring:

- Mr. Folk-Principal-41 years
- Mrs. Adams-7th English-36 years
- Mr. Jenkins 7th Math-32 years
- Mrs. Watson 8th Science-30 years
- Mrs. Leonard 9th Math-28 Years
- Miss Wall-Counselor-27 Years
