JV District Championship game vs Rocky Mountain, Saturday 10/10/20

On Saturday, the boys JV soccer team found itself in the championship game versus underdog Rocky Mountain. Rocky Mountain made it to the final after defeating Timberline in penalty kicks and then upsetting another top seed in Mountain View. From the onset of the game it was apparent that Boise was ready to play as the Brave attack was fierce to begin with. Boise had several great chances to score in the first half but came up short each time. In the second half it was more of the same as Boise controlled the game with steady defense, solid play from the midfield and nice shots on goal from the attackers. However, Boise could not find the back of the net so the game found its

way into overtime and penalties. With the game going to penalties it truly was anyone's game. Unfortunately for Boise, the first 3 attempts were either missed or saved by the Rocky goalie where as Rocky made their first 2 attempts. Boise goalie Hugo Cabrera made a big save to give Boise some life on the 3rd Rocky penalty kick. Jack Montgomery was able to give Boise some hope with finding the net for Boise on our 4th kick. With 2 shots left for Rocky they needed to make one more to win. Rocky was able to find the back of the net on their next penalty which secured the win for Rocky. While it was a disappointing way to end the season for Boise, it was still an incredibly successful year. The team finished with a record of 8 wins 1 loss and 2 ties. Overall the team scored 38 goals and only conceded 5. The future remains bright for Boise High Boys Soccer, in large part, because of this group of athletes. Congrats on a great season and best of luck with your upcoming return to school and club soccer, Coach Rigsby.

Second JV District Game vs Eagle, Friday 10/9/20

The second game of the District tournament found Boise in a semifinal game versus Eagle High. Eagle got an opening round win over Borah. Early in this game you could tell that Boise High was the better team and would control the game. To start the game off Boise had great possession of the ball and worked up the field quickly to put pressure on the Eagle defense. About 8 minutes into the game Boise had several chances consecutively at the goal. Freshmen Ves Rider was able to connect with his head on the last of the chances and put away the first goal. Throughout the rest of the first half the defense was stout, the midfield was dominant and the attack put pressure on Eagle. In the second half it was more of the same with Boise controlling the game. To seal the deal for Boise and secure a win, another goal would be needed. Andy Schell carved up the Eagle defense and played a great ball to Daniel Hirai who scored the second goal to give Boise all the comfort it needed in defeating Eagle 2-0.

First JV District Game vs Centennial, Thursday 10/8/20

The first game of the District Tournament found Boise matched up with Centennial. Centennial was a pesky opponent from the start and kept Boise on its toes with scrappy play. The game was back and forth throughout with neither team controlling the tempo. Going into half it was a 0-0 game. Both teams were getting used to a new opponent and playing on a football field that was narrow and overly bumpy. In the second half Boise woke up and started controlling the game a bit more. After a foul on junior Andy Schell, Boise found itself with a free kick from about 30 yards out on the sideline. The freekick found its way into the box where a mad dash to get to the ball ensued. Daniel Hirai was the first to make good contact with the ball and slotted away the game winning goal for Boise. Overall it was a great start to the tournament for Boise.

To close out the regular season the boys JV soccer team hosted Skyview. This game was a physical fast paced game to start with as Skyview was seeking some redemption after losing to Boise earlier in the season. Boise on the other hand was not going to let this happen. Freshmen midfielder Colin Smith got Boise on the scoreboard with an awesome goal off a nice assist from Jack Montgomery about 15 minutes into the game. Shortly thereafter Colin scored again off a nice pass from Qussai Kadro. The goals continued to come with a great header goal from

freshmen Chase Sakadales off a nice cross from Armani Castro. Just before half Fiston Juma scored the 4th goal of the half after receiving a great ball from Armani. At half it was 4-0. Goal keeper Hugo Cabrera even assisted on a second half goal off a towering goal kick. This game was the best collective team game of the whole season and showed how good the JV team was. All members of the team contributed and helped lead Boise to a dominant showing over Skyview in the 6-0 win.

Varsity @ Borah, Saturday 10/03/20

The game began with tons of pressure and great passing by Boise High. Borah managed to get the ball up the field, but Zach Owen had a great defensive play stopping them in their tracks. JV @ Borah 10/03/20

On Saturday, Boise High traveled to take on our oldest rival in Borah. An early start on a beautiful Saturday morning could only get better once the game started. Borah came out with solid effort and improved play. However, they had not seen the improved Boise team. Once Boise started connecting and playing solid team soccer it was apparent that Borah was no match for Boise. Midfielder Colin Smith found forward Daniel Hirai with a sweet pass to set up a shot on goal that was initially saved and then put away with extra effort from Hirai. Before halftime Junior Welongo (Tony) Malumalu played a great cross to fellow Junior Fiston Juma who finished with a header goal. It was 2-0 going into halftime. In the second half Boise continued to control the game. Goalkeeper Hugo Cabrera Gutierrez made a couple nice saves and the defense was stellar. Boise had a number of solid chances in the second half but did not score again. In the end the game finished 2-0 but that was not indicative of how dominant of an performance Boise had. It was a great team effort and a solid victory. With the win Boise improves to 5-0-2 on the season. Tuesday, October 6th is the last game of the regular season versus Skyview. The game marks the last regular season game for a large group of seniors on the varsity team. Congrats to all of the seniors and all they have accomplished at Boise High on the soccer field. Both Boise teams will look to get wins to continue building momentum heading into the district tournament. Good luck boys, Coach Rigsby.

Play continued back and forth with combination play through the midfield and defensive stops! Great combination passing between Calvin Warren, Nick Warren, Sawyer Luthy and Jack Goode to work their way up the field, but were stopped short by Timberline defense. JV vs Timberline 9/26/20

On Saturday, 9/26 the boys team wrapped up the week with its 4th game in 6 days versus Timberline. Saturday's game was back and forth and tight the whole time. Going into half it was tied 0-0 after a few decent chances from the Boise attack. In the second half it was more of the same being a bit back and forth. Boise tended to keep possession a bit more and had some good opportunities at goal but in the end could not find the back of the net. The back line (Nate Privari, Marcos Chavez-Miranda, Jack Montgomery, Evan Fornander and Jackson Hammond) played a strong game not allowing any legitimate opportunities at the goal. Jack Gwin and Evan Goode had solid performances in the midfield. Good first week and I look forward to seeing what week 2 of the season brings with 2 games versus Capital and another game versus Borah, Coach Rigsby.

Nick Warren passed to Braden Black who crossed it to a sliding Calvin Warren with his outstretched leg that just barely missed the ball! Halftime! 2nd half started out slow and with lots of pressure from Skyview. PK awarded to Skyview but an incredible save by the Boise High goalie, Arthur Langlet, kept the game at 1-0. Logan McKendrick and Liam McLain, but unfortunately resulted in the goalie saving the shot. Game ended 1-0 with another Boise win!

JV vs Skyview 9/24/20

On Thursday, 9/24 the boys teams traveled out to Skyview in Nampa to take on the Hawks. This game was a bit different from the first 2 as it was played on a football field that was narrow and short in comparison to the standard soccer field. In the first half it was a bit back and forth as Skyview was a pesky opponent. Just before halftime an unfortunate deflection led to a Skyview goal to give them a 1-0 lead. After conceding a tough deflection goal Boise went on the attack with shot after shot but nothing was finding the net. After an onslaught of shots on Skyview's goal Skyview quickly countered Boise and got a second goal going into half to take a 2-0 lead. At half, the boys decided it was time to take over and it showed instantly after the kickoff. 20 seconds into the 2nd half Sophomore Kye McCallister crushed a shot off a nice pass from Daniel Hirai into the net to give Boise some much needed momentum. Moments later defender Jack Montgomery put the second goal away to tie the game up off a nice pass from Armani Castro. Within just under 10 minutes of second half play Boise had regained control of the game. Freshman Ves Rider played some solid outside mid in the 2nd half to create several goal scoring opportunities and a couple free kicks as Boise continued to exert their will in the 2nd half. To close out the game Boise put in 3 more goals. Kye McCallister found the back of the net again. Defender Marcos Chavez Miranda played a great ball to Andy Schell who put away the 4th goal. Daniel Hirai finished off the scoring after receiving a great through ball from Kye. It was a dominant second half that showed the potential of this Boise team. 2 newcomers to the squad made their first appearance of the season in Goalkeeper Hugo Cabrera and defender Jackson Hammond. We look forward to seeing how they can contribute to the team's efforts moving forward.

JV vs Borah 9/22/20

Tuesday, 9/22 marked the return to the pitch for the Boise JV team against other cross town rival Borah. The boys were ready for some redemption after narrowly missing out on a win against Timberline to start the season. Early and often Boise had many shots at the goal and put Borah under constant pressure. However our shots were not falling until right before half when Junior Welongo (Tony) Malumalu scored a slick goal off a nice pass from Junior Andy Schell to give the team a 1-0 lead going into half. In the second half it was more of the same with ball control, tons of shots on the goal and stout defense. To close out the game Sophomore Evan Goode found Junior Fiston Juma for the game's second goal to bring the final score to 2-0. Goalkeeper Arthur Langlet got the clean sheet and once again it was a great team effort with all players contributing in the victory.

A fast paced run up the side of the field and cross by Braden Black, but was scooped up by the goalie. Shortly after, was an incredible through ball by Jack Goode to a sprinting Liam McLain who connected with the ball but ended in a cluster with the goalie and defender and the ball rolled just outside of the goal. A short time later, Logan McKendrick on a full sprint, running side by side with a defender, shot on goal but just trickled to the side of the goal. Boise was knocking all around the goal!! Boise's goalie, Alec Martin, had a great finger tip roll of a save over the top of the goal to prevent a Timberline score. Another great effort from Boise off a set play by Toby Caldara to Jack Goode, who's shot was barely saved on the line by a defender. Great distribution through the middle from Chase Kluksdal! Warren who passed it to Jack Goode and then off to Quinn Nichols but was stopped short by a Timberline defender. Some amazing dribbling down the side of the field by Sawyer Luthy, to beat a defender, crossing the ball to set up a goal for Boise, but the shot was just over the goal. Finally, when the ball was bouncing around and landed at Chase Kluksdal's foot, he shot hard at the goal, the ball was deflected by a defender which made the ball go over the outstretched hand of the goalie for the final goal of the game. Giving Boise their first win of the season!! 2-0 Way to go Boise!

JV vs Timberline 9/21/20

Monday 9/21 marked the opening kickoff to the shortened fall 2020 soccer season for Boise High. The JV team is coming off a 2019 district championship with high hopes for the 2020 season. On Monday, the team hosted Timberline. Boise got on the scoreboard with an early goal from Freshman Daniel Hirai off a beautiful pass from Sophomore Qussai Kadro. Boise held steady in the first half and controlled the game to take a 1-0 lead going into half. Early in the second half Timberline came out with a bit more energy and were pressing the goal more. After a series of attempts to clear the ball out of the box unfortunately a Boise defender committed a hand ball foul in the penalty box which resulted in a penalty kick for Timberline. Timberline capitalized, tying the game at 1-1. With 20 minutes left in the game it was back and forth between the 2 teams. Boise tended to control the pace and had more chances including an outstanding volley from Sophomore Armani Castro which drilled the crossbar in the last 2 minutes of the game. When the final horn went off the game ended in a tie. Overall it was a great team effort in the first game with all players participating and contributing to the solid effort.
