

"And you run and you run to catch up with the sun but it's sinking
Racing around to come up behind you again
The sun is the same in a relative way, but you're older
Shorter of breath and one day closer to death"

"I used to be on an endless run
Believe in miracles 'cause I'm one
I have been blessed with the power to survive
After all these years I'm still alive"

"It's all too much for me to take
The love that's shining all around here
All the world is birthday cake
So take a piece but not too much"
