

The Players' Cup is a year-long competition (Kick off to mid-October) to recognize and reward participation in the LPGA Amateurs Atlanta Chapter. Members earn points all season by participating in chapter, regional and association-wide activities/events. It is a quantitative, objective, and transparent way to promote and reward competition and volunteer activities.

The Players' Cup Party is the year-end event. Prizes are given to the top three (3) individuals based on points earned!

A. Players' Cup Points Allocation

B. Points Tracking Responsibilities

The individuals listed for all categories (except Weekly Play) are responsible for reporting points earned throughout the year to the Players' Cup Chair, Sonja McMullen. Sonja will post the points to the Players' Cup workbook on the website.

The weekly play coordinators report weekly play for each of their courses to Weekly Play Chair, Angela Kenison. Angela consolidates points earned by members and post the points to the workbook located on the website.

There are some activities that the member should "*self-report*" by sending an email to the Players' Cup Chair, Sonja McMullen, at playerscup@lpgaamateursatlanta.com.

The Communications Director advertises the year-long competition via a Newsletter article.
