	the guitar when her stepmom walks in, amazed by her talents	Crank it on blast Roll past front street Blew the whole spot Like some old ass with skunk meat
0:41 - 0:44	Danella gets excited as she watches her parents start talking about singing her up for the local talent show, making her feel like she'll start to be loved again	These kids is too fast Juiced off a junk treat Who could get looser off a crunk or a funk beat?

1:38 - 1:42	Danella then notices how her mum keeps giving her gifts of pretty dresses (that she doesn't like)	Acquired off the black market Or wire tappin' Couldn't target a jar of spit The rapid fire spark lit
1:43 - 1:48	After the buzz, it shows a montage of Danella performing songs on stage, not as happy due to it not matching her taste in music	Zzzzt! A rapper bug zapper And it don't matter after if they's a thug or a dapper.
1:49 - 1:53	The montage continues, but Danella starts getting more and more tired as her parents keep overworking her	Plug your trap or it's maximum exposure The beast got family members asking 'em for closure
1:54 - 1:59	Eventually, the montage ends with Danella passing out on stage, her parents	Aw, send 'em a gun an tell em clean it

	getting furious at the event	Then go get the nun who said her son didn't mean it
