January 16, 2025

Dear Students & Families,

This coming week, January 21-24 we will conduct our Semester 1 Finals Week (remember that Monday, January 20 the district is closed in observance of Martin Luther King, Jr. Day). The exam schedule is provided below.

Of particular note is Wednesday, January 22 as an Early Release Day, and the second half of the day on Friday, January 24. On each of these days we will hold two exam blocks to start the day followed by a Mustang Time block for making up work/exams, intervention for students preparing for exams, and enrichment. Many students who can drive will ask this question, so we will answer it here:

Question #1: If I am a Junior or Senior who drives, can I get permission to leave campus once the Mustang Time block begins on Wednesday during the Early Release Day, and again on Friday?

Answer #1: Yes, as long as those Junior & Senior students are in good academic standing and have no outstanding work, and parents/guardians have given permission and provided notice to the main office. Those Juniors & Seniors must check in with Mrs. Ellis at the main entrance - to confirm good academic standing - before leaving.

In order to organize permission notices granted by parents we ask that parents/guardians call or email our main office staff providing this permission prior to Wednesday morning of next week - an onslaught of notices on Wednesday morning may cause delays for everyone hoping to be dismissed. Please plan accordingly and call/email starting today!

Main Office Number: 207-247-3141 & press 7

Main Office Staff emails:
