Western Pavers, is your contractor for any outdoor living project.
Call Us: (800) 779-8191

Western Pavers designs the Interlocking Paver Systems for Your Patio, Pool Deck, Driveway.

Western Pavers, Inc. is an Award Winning Premier concrete paver specialist proudly serving San Diego, Orange and Riverside Counties. Western Pavers, Inc. provides professional paving stone designs and installations for driveway pavers, patio pavers, pool deck pavers, walkway pavers, retaining walls, and much more for both commercial and residential applications. Our paving stones come with a lifetime manufacturer warranty against cracking or breaking. Western Pavers, Inc. has been designing and installing quality paver systems throughout San Diego and Orange County since 1990. Call us at 800-779-8191 today for a free consultation and let one of our ICPI certified paver design specialists help you design the best paving stone for your outdoor living space.

Decorative concrete pavers give our customers' paver driveways, patios, pool decks, walkways and retaining walls both beauty and durability. Come Visit our [Belgard Pavers Authorize Design Center](#). One of our designers will help you select the right paving stone style & color choice, to compliment the style of your home. Our Southern California Paver Design Center is located at 1210 E. Barham Drive, San Marcos, CA 92078.

Western Pavers, Inc. is at the forefront of all paving stone installation and considered to be the pioneer paver company in Southern California. We are ICPI certified, Advanced Residential Paver Design certified, Permeable Paver Specialist, NCMA certified with an emphasis in Segmented Retaining Walls, and CAP certified with an emphasis in polymeric sand, sealer and cleaning applicators. Not only do we have the highest amount of [paver credentials and certifications](#) in Southern California but we are also recognized by Belgard Hardscape as "Belgard's Master Craftsman".
