### DIRECTIONS

After Reading and discussing this text add three responses to each of the categories. Relate the text to your experience so you are making connections as well.

Headings		Personal Response
	WAS SURPRISED ABOUT	<ul style="list-style-type: none"><li>• I was surprised that Waikowhai Primary School and Miss Daly were in the article.</li><li>• I am surprised that so many countries did a march.</li><li>• I was surprised that teenagers run the march.</li></ul>
	LIKED	<ul style="list-style-type: none"><li>• I like that so many people want climate change to be declared a climate emergency.</li><li>• I liked that in the Stuff Article, they added so much info about what happened, all around NZ!</li><li>• I liked that they added videos and pictures of what was happening everywhere because when I watched a video, I could find out what people were chanting in other parts of NZ. I could find out what different things were happening in other parts of NZ.</li></ul>
	DIDN'T LIKE	<ul style="list-style-type: none"><li>• I didn't like that in the article it said that Miss Daly took the whole 70 students and not all the other teachers like Ms Sands or Mrs Jones.</li><li>• I didn't like that on some of the photos they took them of heaps of people holding signs but they took such a big photo that the signs were so small in the picture that you couldn't see what they had on them.</li><li>• I didn't like that they didn't put any speeches in the videos, so you couldn't know what people thought of Climate Change.</li></ul>
	WHAT WOULD YOU CHANGE.	<ul style="list-style-type: none"><li>• I would change the part where it had a gallery of photos that only had info and pictures of the Wellington march.</li><li>• I would put paragraphs about what happened in each country and put photos of only what happened in individual countries.</li><li>• At the end, I would put what the government had</li></ul>

		to say about this. If they wanted climate change to be declared a climate emergency or if they wanted us to keep our ways and destroy the planet.
	MADE ME THINK ABOUT	<ul style="list-style-type: none"> <li>• When it said that Wellington bee-lined to the Beehive, it made me think. I thought it was just to be funny.</li> <li>• When on someones mouth mask it said generation fix it.</li> <li>• One of the signs on the steps said 'Look after your mother' It must have been meaning look after the earth or Papatuanuku.</li> </ul>
	DIDN'T UNDERSTAND	<ul style="list-style-type: none"> <li>• When it said 'James Shaw, you can and must go further.' Who is James Shaw? Why must he go further?</li> <li>• Some of the signs on the photos - what the message meant.</li> <li>• Why the theme of the march was for the government to #WakeUp</li> </ul>
