

FREE GUIDE: 3 Nurse-Friendly Side Hustles

For nurses who want options beyond the bedside.

1. Print-on-Demand [\(with Printify\)](#)

Why it's nurse-friendly:

- ✓ No inventory
- ✓ Creative outlet
- ✓ Runs while you're on shift

How to get started:

- Sign up for [\[Printify here\]](#)
- Choose a niche (nurse humor, wellness, etc.)
- Use Canva to design simple graphics
- Sync with Etsy or Shopify

2. Affiliate Marketing

Why it's nurse-friendly:

- ✓ Flexible hours
- ✓ You recommend products you already love
- ✓ Scales with time

How to start:

- Pick a niche (nurse gear, wellness, digital tools)
- Sign up for affiliate programs (Amazon, ShareASale, or individual brands)
- Share links via social, blog, or email list

3. Digital Content Creation

Why it's nurse-friendly:

- ✓ Use your experience as content
- ✓ Build a personal brand or go faceless
- ✓ Can turn into coaching, digital products, or passive income

How to begin:

- Pick a platform (TikTok, YouTube, or IG)
- Share tips, humor, or your nurse journey
- Monetize with [digital products](#) or sponsorships

👉 Want to go deeper and turn one of these into a full-time income stream?
