Apply at: <https://thrivenannies.com/jobapplication>

Thrive Nannies is looking for someone to work with a family that has a high functioning male teenager. The family is seeking someone who is patient, flexible, can adapt quickly to family/teen needs as well as engage appropriately with the teen while encouraging his independent skill growth.

The teenager enjoys gaming on his Xbox and PC, playing with his neighborhood friends, and outdoor activities. He attends 10th grade at East View High School in Georgetown. The caregiver would report to the families home at 2pm(debrief about the day, what the evening looks like, help with the 4 small dogs) and then leave by 3:15pm to pick the teen up from school. School gets out at 4pm. The drive is anywhere between 30-40minutes. The caregiver has access to the families minivan during work hours to run work related errands, pick up teen. The caregiver would drive the teen back home (unless otherwise arranged) to help with the afterschool routine including homework, afterschool chores and duties, housekeeping, meal prep, pet care, etc.

The ideal candidate would be someone who is engaging and able to build a good rapport with the teenager as well as the parents. The ideal candidate would be able to set strong boundaries while helping him develop independent skills. The ideal candidate would have strong communication skills, work well with the family, be punctual, responsible, quick learner and the ability to follow precise directives regarding their sons care as well as pet care.

The family has 4 pugs and caring for the dogs would be required. Feeding, giving them each individual time, walking around the neighborhood, letting them in and out of the house for potty breaks as well as supervision.

General Duties of the Nanny/Attendant Include:

- Providing a safe and healthy environment for the teenager
- Engaging in meaningful, developmentally appropriate activities and outings
- Transportation of teenager to and from activities/school/job
- Overseeing and assisting in medication
- Supervision and assistance with Activities of Daily Living (ADLs)
- Homework & Chores support
- Pet care (walking, feeding, cleaning bedding)
- Family Errands
- Housekeeping (light kitchen tidying, vacuuming, and the child's bedroom, bathroom, toilet)

Qualifications:

- 3+ years of caregiving, teaching, or therapy experience
- Current CPR/First Aid
- Experience working with individuals with autism (RBT or similar training preferred)
- Non Smoker
- Reliable Vehicle, Clean Driving Record, Active Auto Insurance and DL
