1. Go to the GMS Library website

(https://sites.google.com/a/msad51.org/gms-library/)

2. Click on the **Library Catalog** tab.

You will get to Destiny Discover.

3. Log in to your Destiny account, using your <u>firstlastname</u> as your user name & your <u>5-digit lunch code</u> as your password.

Maybe you have it saved from last year? If not, save it now so you don't have to do it next time!

- 4. After you type something in the search box, you can go through the results, filtering or sorting if you wish.
- 5. When you find something you'd like to check out, click the blue Hold button, even if it says it says the title is out, so you can get it when it becomes available.
