

Trick or Treat Candy

By Kathryn Roach

It's fun to go out on Halloween night
All the funny costumes are quite a sight!
But the best part of the fun, it really can't be beat;
Is to ring the doorbell and yell, "Trick or Treat!"

Open wide your bag, here comes the candy fun.
In drops the candy pieces one by one!
Everytime you get some candy, you know what to do.
Wave goodbye and say to all, "Happy Halloween and Thank you!"

Now it's time to head back home, let's see what we got!
Pour out the bag and count each piece, there really is a lot!

(repeat and change color as children bring up their pieces and add to the flannel board)

*Here are some red ones, red ones red ones,
sweet red candy...yum, yum, yum!

*Blue, green, yellow, orange, purple

Look at all the yummy candy, Happy Halloween!!
