GOVERNMENT AND POLICY ORGANIZATIONS

Subject lines:

- Where AI Policy Meets Practice — Join HumanX 2026
- Shaping the Future of AI Governance Together
- Your Invite to the World's Leading AI + Policy Gathering

Body copy:

We're proud to announce that **[ORG NAME]** is partnering with HumanX 2026, the world's premier enterprise AI conference, taking place April 6–9 at the Moscone Center in San Francisco.

This partnership reflects our shared mission: ensuring that AI develops with accountability, strategy, and policy alignment.

At HumanX 2026, leaders from government, business, and research will come together to address the most pressing questions in AI:

- ✓ How do we **balance innovation with safety**, ethics, and security?
- ✓ What role should regulation play in **shaping global AI markets**?
- ✓ How can policymakers and industry leaders **collaborate for responsible adoption**?

You'll be joining:

- 350+ global speakers including top founders, policymakers, and C-suite executives
- 400+ vetted AI solutions already shaping industries
- 6,000+ leaders spanning enterprise, government, startups, and investment

This isn't just a technology event. **It's where AI policy meets practice** — and where the decisions that guide the next decade of AI innovation are debated, refined, and set into motion.

☀ Exclusive for **[ORG NAME]**'s network:

Register now with our discount code to unlock pre-sale ticket pricing of \$1,795 (a \$3,995 value).

April 6–9, 2026 | Moscone Center | San Francisco

Join us as we shape the future of AI together — with clarity, connection, and accountability.

EXECUTIVE NETWORKS

Subject lines:

- An Exclusive Invite: HumanX 2026 for Senior Leaders
- HumanX 2026: Where the C-Suite Shapes AI Strategy
- Join Us in San Francisco: The #1 AI Event for Executives

Body copy:

We're excited to share that **[COMPANY NAME]** is partnering with HumanX 2026, the premier enterprise AI conference, taking place April 6–9 at the Moscone Center in San Francisco.

For our executive members, this is more than a conference. It's **a trusted forum** to engage with peers and global leaders on the real business of AI — **strategy, impact, and value creation**.

At HumanX 2026, you'll access:

✓ **350+ C-level speakers** — the executives, founders, and policymakers shaping AI adoption

✓ **400+ vetted solutions** — no hype, only proven tools and platforms driving transformation today

✓ **6,000+ impactful leaders** — a curated mix of enterprise C-suite, innovators, and decision-makers

Unlike other events, HumanX is designed for the entire C-suite, not just CTOs. Sessions, masterclasses, and [Peer \[X\]change councils](#) are purpose-built to elevate AI fluency across roles — from finance and marketing to HR and operations.

☀ Exclusive for **[COMPANY NAME]** members:

Register now with our partner code to unlock savings of up to \$2,000.
