

Archive Planning Notes

The Basics

Goal

To begin an archive of places, things, and events on campus

Audience

Students, potential students, families, faculty, staff, the public—anyone who wants to know more about Virginia Tech

Requirements

- Use all five modes of communication
- Create a collection of artifacts
- Build a related exhibit page
- Link to relevant existing information online and within the archive

Where to Put It?

We can make an address for the site.

What Tool to Use?

WordPress or Omeka?

Possible Topics

Must be something that will be available to archive now through April 1
