

Airport Travel Information Sheet for Boarding Students

In New York, the international airports are:

Newark Liberty International Airport (EWR)	John F. Kennedy International Airport (JFK)
LaGuardia Airport (LGA)	Stewart International Airport (SWF)

Families must arrange their own flights and airport transportation service. Please note that Northern Academy assumes no responsibility for the service by your chosen providers, and it is each family's sole responsibility to select the service that best suits their needs and arrange payment.

Tips for Traveling:

- 1) Parents must clearly communicate their child's airport departure/arrival info to the driving service.
- 2) We recommend booking a driving service at least 2 weeks prior to the departure date.
- 3) Finalize all payment arrangements for service prior to your child's departure. You must pay the driver directly once you are both satisfied with the service arrangement.
- 4) Provide a means of communication between your child and the driver. (NOTE: Any phones that the student brought with them to school will be returned over winter break) We recommend you email your child and dorm@northernacademy.org the name of the car service, contact number, email, and confirmation number of the driving service so the student can print it out before traveling.
- 5) Make sure your child has the address of the dormitory and of the school.
- 6) The ride between most airports and campus is approximately 2 hours. (SWF is 30 minutes.)
- 7) If your child's itinerary changes, please notify the dorm@northernacademy.org immediately.

Airport Transportation Service by Independent Driver

For your convenience, here is a list of local drivers that the school has used in the past. Please note that the contact information is provided by each driver, and the school does not guarantee its accuracy.
