

INSTRUMENTAL MUSIC

California All Music Education Conference – All State Orchestras
Sacramento, CA
January 14-18, 2026

Download Scales and additional information:

<https://www.codaorchestras.org/home/> (go to the [auditions page](#))

Complete [this information form](#) by Monday, September 15

1. Please see Mr. Christy with questions regarding eligibility, auditions, etc.
2. **Complete the All State information form by September 15.** As soon as you submit your form, Mr. Christy will enter your information into the All State online system.
3. Submitting Paperwork:
 - a. You and your parents will receive the audition paperwork to sign through docusign once you are entered into the system
 - b. Once you are entered into the system, you will receive an email from CODA with information on how to upload your audio files. They will only accept mp3 files. **You will be responsible for submitting your audio files online to the CODA website.**
 - c. Once you have loaded your videos, you will pay for your individual audition fee by credit card on your student portal
4. SCALES should be played EXACTLY at the indicated tempo (faster is ok if all scales are the same tempo and flawless). Practice with a metronome constantly until you are able to play these automatically without a metronome.
5. **All recordings must be submitted online by October 14.** CODA has a very strict policy on submitting recordings and registering. [CLICK HERE for recording details](#). Even one (1) error in the process of recording will result in your audition being automatically disqualified.

** Turning in an audition indicates you are committed to participation if selected. In other words, DO NOT turn in a recording if there is any possibility you may not be able to attend.*
