

Wreath Making Fundraiser

Sunday December 4th 9:30-11:30

Rain or Shine

Please come join other West Side parents (parents only), as we make holiday wreaths for the kids to decorate. The wreaths will get dazzled up by the children all week in garden class, and then sold at the Holiday Sale December 14th and 15th. All money raised goes to our wonderful school's enrichment programs.

If you can make it on Sunday or are available to help next week with the kids in Garden Class, please email or text Shelley Larson.
