

July 2025

Welcome to all the new to NEST+m families and welcome back to everyone else! I'm Eileen Yim, the MG/UG Co-VP of Fundraising and a fellow parent of an incoming freshman. I'm thrilled to be part of the UG community.

This amazing school would not be what it is without the support of our families. One way our families can support our community is with a monetary donation. Our PTA suggests a donation of **\$1,125 per student** to our general fund. This is a suggested amount, and **any contribution** you can make will help us reach our fundraising goal.

Here are just a few examples of what your donations help fund:

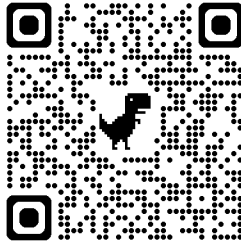

- Art Supplies
- College Office support
- Music supplies (instruments, repairs, competition, etc)
- Upper Grade theater productions
- Academic competition teams (math team, science olympiad, etc)
- Upper Grade field day
- Social and Cultural events and celebrations
- Sports teams and clubs (PSAL and non-PSAL)
- Per Session activities (eg, clubs, team coaching, etc)
- Per Diem pay for substitute teachers while staff are out for training

Donations can be made as a lump sum or as recurring monthly payments (for example, **\$93.75 per month** based on the suggested amount over 12 months).

Thank you in advance for your generosity!

And don't forget: If your employer offers **donation matching**, be sure to let them know about your contribution to NEST+m—it could **double or even triple your impact!**

Thank you for your participation! If you have any questions, please feel free to reach out (vpfundraising@nestmpta.org).

Warmly,

Eileen Yim
