

## ***PT Corporation Announces New Structure***

*PT Corporation would like to announce the internal promotion for two of its own. As of Monday, July 20, 2020 Matt Kositzky and John Powell will assume their new roles as Director of Operations and Director of Business Development, respectively.*

*Over the past decade, both John and Matt have established their careers in the brokerage and logistics industry. With their experience and dedication to our group, we are continuing to build the premier platform that empowers the best in our industry to succeed.*

*John is focusing on capturing new business and solidifying our current customer base, while leading and building our logistics professionals. Matt's focus on operations will allow PT to institute new processes for a better employee, customer, and carrier experience.*

*We are excited to continue providing the expertise and dedication our partners have come to expect and rely on. PT will continue to drive this expansion into 2020 and beyond.*

*Founded by Bobby Tims, PT Brokers has been an established name in the dry bulk industry since 1999. PT has grown to over 30 employees and agents across 10 locations nationwide. We are excited to continue providing the expertise and dedication our partners have come to expect and rely on. PT will continue to drive this expansion into 2020 and beyond.*
