- A. [AirDrop Bounty program: 30% — 600,000 PICOs;](#)
- B. [Bitcointalk.org signature campaign program: 20% — 400,000 PICOs;](#)
- C. [Contents \(including blogs and media publications\): 30% — 600,000 PICOs;](#)
- D. [Translation: 20% — 400,000 PICOs;](#)

Terms and Conditions

General rules

*****All bounty program announcements will be released on our Slack channel (<https://pigworldcommunity.slack.com/>)*****

0. To be added to the “bounty-program” please PM @jeremyLee (only) once you join our Slack channel.
1. To participate in the bounty program, you must be at least 18 years old.
2. The Bounty program starts on the 17th of May, and ends at the same time the Pig World ICO finishes on 18th July 2018.
3. The exact dates, and the terms and conditions of the ICO will be published on the Pig World Slack channel.
4. 1% of the total volume of PICOs tokens accumulated is allocated for the bounty program. **Rewards for each campaign has a maximum cap [Note: first come, first processed].**
5. **We will have daily updates regarding approvals to start working on translations. However, for the other bounties, there's no need for permission.**

6. One user can participate with only one account. Users with double-registrations or duplicate accounts (except the initial one) will be permanently banned from the program.
7. The reward for the bounty activities are PICO's tokens. Rewards will be confirmed every Wednesday and the tokens will be gradually allocated to a user's wallet within six (6) weeks after the end of the Pig World ICO.
8. For technical support during the bounty campaign, please contact us at contact@pig.world
9. The Pig.World team will have the rights to change any rules, or make any changes if necessary.

How and when do you get your bounties

The tokens will be allocated to your Ethereum wallet within six (6) weeks after the end of the Pig World ICO. The exact terms will be announced in the Pig.World Community Slack and Telegram channels.

A. AirDrop Bounty Program

30% of the bounty tokens are allocated for this campaign.

1. Like our Facebook Fan Page. (<https://www.facebook.com/PigWorldCasino/>)
2. Follow our Twitter. (<https://twitter.com/PigWorldCasino>)
3. Share AirDrop Post on the Facebook and Your Facebook account must have at least 400 friends. The number of friends must be public. Or Tweet Our AirDrop Tweet and Your Twitter account must have at least 400 Follower.

B. Bitcointalk.org Signature Campaign Program

20% of the bounty tokens are allocated for this campaign.

1. To take part in the Signature Bounty campaign, apply in this [form](#).
2. The signature codes and avatar can be found [here](#).
3. The signature must be held until the end of the campaign (18th July). If you remove the signature in the middle of the campaign, you will be disqualified.
4. **You need to make at least two (2) constructive posts + eight (8) replies each week.**

For your contents to qualify, you need to choose at least one of the three content types below:

- a. **Raise / answer questions about Pig World.**

- b. Encourage persuasive reasons why people should participate in the Pig World ICO.**
 - c. Do a constructive comparison with other ICOs (token advantages, team members, business model ...etc).**
- 5. To make valid content, posts should contain 75 words or more and replies should be 30 words or more to be eligible. Posts and replies with less than the valid number of words will not qualify.
- 6. Posts must be constructive and on-topic. Spamming, low-quality posts, copy pasted text, and off-topic posts are invalid and therefore not qualified.
- 7. Spammers and multi-account users will be banned and disqualified.
- 8. Receiving negative trust ratings or being banned during your participation in the campaign will disqualify you from the campaign and therefore, will receive nothing.
- 9. The number of your PICOs will be displayed in this [spreadsheet](#).
- 10. Accounts with negative trust ratings are not accepted.
- 11. Only posts in the boards below are qualified:
 - Bitcoin -
 - Bitcoin Discussion / Development & Technical Discussion / Mining / Technical Support / Project Development
 - Economy -
 - Economics / Marketplace / Trading discussion
 - Alternate cryptocurrencies -
 - Altcoin Discussion / Announcements (Altcoins) / Mining (Altcoins) / Marketplace (Altcoins) / Speculation (Altcoins)
 - Local -
 - all languages are welcome, and please provide an english brief of the post for the Pig World team to review.

Users will receive varying amounts of PICOs according to their rank. The rank is fixed when you apply and cannot be changed during the campaign.

Rank	PICOs per Week
Newbie	volunteer
Junior Member	200
Member	400
Full member	800
Sr member	1400
Hero member and Legendary	2000

If you join the avatar campaign, you will receive additional PICOs:

Rank	PICOs per Week
Member	300
Full member	500

Sr member	800
Hero member and Legendary	1000

C. Blog And Media Publications Bounty

Pig World awards writers, bloggers, journalists, and video editors with PICOs tokens for publishing quality content about the Pig World ICO. 30% of bounty PICOs tokens are allocated for blogs and media publications.

In this Bounty, we only accept blog posts, articles, and videos (Please provide an English brief to us in Slack for non-English contents).

All pieces of content (including articles, blog posts, videos, etc.) are divided into three (3) categories:

Legendary	8000 PICOs
Awesome	4000 PICOs
Great	2000 PICOs
Good	1000 PICOs
Normal	200 PICOs

1. To send the link of your published piece or video, fill in this [form](#).
2. All content must be original. Plagiarizing, copying, and translating other's articles, as well as using Pig World staff's content like videos, images, etc., is prohibited and will lead to disqualification.
3. However, you can use our official images, logos, graphics, and other branding materials on our website and in the ANN thread.

4. Articles must be longer than 700 words.
 5. Videos must be at least one (1) minute long.
 6. The article or description of the video must contain at least one (1) link to our website and one (1) link either to the Whitepaper or to the official ANN thread.
The article or description must also contain a link to your BTT profile in order to prove your authorship.
 7. Blogging platforms like Medium, Steemit, Newbium, etc. are allowed, but only three (3) posts per person are accepted on these platforms.
 8. The number of your PICOs will displayed in this [spreadsheet](#).
-

D. Translation

Pig World awards users who translate the Whitepaper, Pig World landing page, ANN thread, and manage the local Thread, with PICOs tokens.

20% of the bounty PICOs tokens are allocated for translation contributions.

1. To reserve a language for translation, apply in this [form](#).
2. Translations must be original and made by the user only. Using Google Translate and other tools is strictly prohibited and will lead to disqualification.
3. Only constructive posts are counted. Spam and unnecessary posts won't be counted. Spammers will be disqualified.
4. The number of your PICOs is displayed in this [spreadsheet](#).
5. Translators can take five (5) days to submit the translation, taking more than five (5) days will disqualify you and the job will then be granted to another candidate.
6. The following languages are welcome: Japanese, Korean, Spanish, and Russian (We are open to suggestions for other languages: German, French, Italian, Hindi, Indonesian...)
7. White paper: 5,000 PICOs ;
8. Landing page: 2,000 PICOs ;
9. Youtube Video Caption: 500 PICOs / video

Whitepaper	5,000 PICOs
Landing page	2,000 PICOs
Youtube Video Caption	500 PICOs
