

# Privacy Policy

This policy applies to all information collected or submitted on the “Falling Letters” apps for iPhone and any other devices and platforms.

## Information we collect

No user information is transmitted from the app to developers or to any other third-party.

## Ads and analytics

No personal data is collected and used for the purpose of targeting any ads or third party promotional content.

## Information usage

We do not share personal information with outside parties except to the extent necessary to accomplish the app functionality. We may share anonymous, aggregate statistics with outside parties.

We may disclose your information in response to subpoenas, court orders, or other legal requirements; to exercise our legal rights or defend against legal claims; to investigate, prevent, or take action regarding illegal activities, suspected fraud or abuse, violations of our policies; or to protect our rights and property.

In the future, we may sell to, buy, merge with, or partner with other businesses. In such transactions, user information may be among the transferred assets.

## Security

No personal information is stored outside the device.

## Accessing, changing, or deleting information

No information is stored outside of the device for any purpose

## Third-party links and content

No third party links or content is used to promote ads. Credits section will attribute any third party content that is used such as images / icons

## California Online Privacy Protection Act Compliance

We will not distribute your personal information to outside parties without your consent.

## Children's Online Privacy Protection Act Compliance

We never collect or maintain information from those we actually know are under 13, and no part of our app is structured to attract anyone under 13. The app is meant to be used by parents for the purpose of helping children practise math and other key skills.

## Information for European Union Customers

By using the app and providing your information, you authorize us to collect, use, and store your information outside of the European Union.

## International Transfers of Information

Information may be processed, stored, and used outside of the country in which you are located. Data privacy laws vary across jurisdictions, and different laws may be applicable to your data depending on where it is processed, stored, or used.

## Your Consent

By using our apps, you consent to our privacy policy.

## Contacting Us

If you have questions regarding this privacy policy, you may email [dnkappdev@gmail.com](mailto:dnkappdev@gmail.com)

## Changes to this policy

If we decide to change our privacy policy, we will post those changes on this page. Summary of changes so far:
