

Underclass Picture Day - Wednesday, September 2, 2015

-seniors are NOT taking pictures today: their make-up day is October 10

Students will be [dismissed by homeroom from their regular schedule](#) (we will NOT actually be in homeroom). To avoid class interruptions, we will NOT be making all calls, so please pay attention to the time frames.

Passes: Yearbook students will give students who are finished with their picture a pass back to class. If students do NOT return with a pass, then they were not with us.

Buying Pictures: Strawbridge Photography order forms will be distributed on Monday, but we will have extras available when they take their pictures. Pictures can be purchased online: strawbridge.net or through the completed order forms delivered. Proofs will NOT be distributed; students have to pay for pictures in order to receive them. If they do not like the pictures, then they take make-up pictures on October 19th to have them redone.
