

FOR IMMEDIATE RELEASE

FOR FURTHER INFORMATION PLEASE CONTACT: _____
(insert your local press contact details)

**(Insert Country or Country and Chapter Committee) HOSTS
THE 2024
GLOBAL PRESIDENTIAL PRIMARY**

Democrats Abroad (*your country committee or country committee and chapter*), part of Democrats Abroad, will host official voting centers (*or hosts a voting center*) on (*dates*) at (*locations*). Because Democrats Abroad is the official arm of the US Democratic Party for the millions of Americans living around the world, it is entitled to have its own primary. This is a vote to select our choice for our party's Presidential candidate.

Registered voters will cast a ballot for their preferred presidential candidate either in person or at the voting center(s), set up and monitored by the (*your country committee or chapter*). Alternatively, the committee will also oversee voting either through email or post.

These results will go forward to the Democrats Abroad Global Convention held in Costa Rica in May. There, voting delegates will be selected to represent Democrats Abroad, treated as a state party of the Democratic National Committee, in Chicago this August at the Democratic National Convention.

(Please add a quote from your chair and/or you can add Martha's quote. The local quote should be about the importance and significance of our votes, you can also add our slogan – Show Your Stand for Democracy.)

Martha McDevitt-Pugh, Democrats Abroad International Chair stated, "While we may vote from many locations around the world, we are deeply involved in this year's election. We know how critical this election is for America and we will show our stand for Democracy." END

Please note: Press credentials will be available at: (*your press email address*)
