GEORGIA STUDIES TEXTBOOK UNIT 1

TEACHER: gpb.org/education/resource/unit-1-setting-the-stage-teacher

STUDENT: gpb.org/education/resource/unit-1-setting-the-stage

In two chapters this unit discusses Georgia's geographic characteristics with a focus on five major themes of geography, including natural resources, minerals, water, and weather.

ACCESSIBLE STUDENT EDITION UNIT 1

gpb.org/education/resource/unit-1-setting-the-stage#support-materials

All student units are available for download as a PDF. Students can also use Acrobat or a text-to-speech reader extension for their browsers.

IDEAS FOR INQUIRY OR CONTINUATION

Consider continuing the conversation about the impact of Georgia's geography on the state's development throughout the year using these specific resources (unit, chapter, and page). You can also think about "geo-inquiry" learning.
