

It's important that God's Word continues after the message. At Celebrate, we find that you will talk over this week's message long after our experience is over. That's because God has lasting impact. The Sermon Discussion Guide is designed to help you continue the conversation all week.

## How Should I Live Out My Belief?

How do we live out our worldview? What do I do with all of the knowledge and beliefs I claim? Here's GOOD NEWS: God gave us a model. A perfect model of how to live out our faith. 1 John 2:6 says, "Whoever claims to live in Him must live as Jesus did."

Read John 12:44-50.

### Jesus had 3 key values that we should follow:

**1. Jesus came to do the WILL of His Father – and so must we.**

We must live with integrity, humility, and simplicity. No matter how you look at it, a hole in the boat is still a hole in the boat. Do you have a hole in your boat? Share with your group which of these three areas you need to work on.

*John 5:19; Luke 11:36; Matthew 12:15; Matthew 16:26*

**2. Jesus came to be a LIGHT in a dark world – and so must we.**

We must live with discernment, hospitality, and generosity. Living with discernment means learning how to evaluate or test things. Hospitality is realizing everything I have and every person I meet is a gift from God. Practicing generosity is following God's example, "For God so loved... that He gave..." Share with the group which of these three areas you need help with and what your first step will be.

*Romans 12:2, 13; Luke 11:34; John 3:16; Matthew 10:8; Acts 20:35; Luke 6:38*

**3. Jesus came to SAVE the world, not judge it – and so must we.**

Live with possibility. In what area of your life are you limiting God by your unbelief? What do you want to change in your life? What are you waiting for? We must live with priority. Jesus' priority was to seek and save the lost. What are your priorities? What are you giving your time to?

*Luke 2:49; Matthew 10:39*
