CURRICULUM VITAE

WILLIAM H. DOW
Professor of Health Policy and Management, School of Public Health
and Professor of Demography
University of California at Berkeley
July 2025

ADDRESS

Division of Health Policy and Management
School of Public Health
2121 Berkeley Way
University of California, Berkeley
Berkeley, CA 94720-7360
510-643-6841
wdow@berkeley.edu

EDUCATION

1987-91	*Cornell University*, B.A. in Economics, *Summa Cum Laude*
1989-90	*Cambridge University*, England, Visiting Scholar
1991-95	*Yale University*, Ph.D. in Economics (M.Phil. 1993, M.A. 1992)

PROFESSIONAL EXPERIENCE

1995-1997	*NIA Postdoctoral Fellow*, RAND, Santa Monica, CA
1998	*Fulbright Senior Scholar*, University of Costa Rica
1998-2004	*Assistant Professor*, Department of Health Policy and Administration (HPAA), School of Public Health, University of North Carolina at Chapel Hill (UNC-CH)
2002-	*Research Associate*, National Bureau of Economic Research
2004	*Adjunct Assistant Professor*, Department of Economics, UNC-CH
2004-2010	*Associate Professor of Health Economics*, School of Public Health, University of California, Berkeley
2005-2006	*Senior Economist,* Council of Economic Advisers, The White House
2010-	*Professor*, School of Public Health, University of California, Berkeley
2018-	*Professor*, Department of Demography, University of California, Berkeley

HONORS

8th Annual Kenneth J. Arrow Award (Given by the International Health Economics Association for the best health economics paper published worldwide in 1999)
Recipient of 2001 John D. Thompson Prize for Young Investigators, awarded by the Association of University Programs in Health Administration
Henry J. Kaiser Endowed Professorship, 2008-2015
Kaiser Permanente Endowed Professorship, 2015-2020

RESEARCH AREAS

Health economics
Global health
Economic demography

PROFESSIONAL SERVICE

International/National/State/Local

1995	Consultant, Inter-American Development Bank health care demand study for National Population Council (CONAPO), Mexico City, Mexico.
1997-2000	Consultant, RAND, Santa Monica, CA
2002-2011	UnitedHealth Foundation: Member of expert panel on methods for state health rankings
2003	Expert testimony before United States Social Security Advisory Board
2006-2009	MacArthur Network on Socio-Economic Status and Health member
2007-2010	Consultant, Kaiser Division of Research
2008	Consultant, World Bank
2009-2013	John Muir Health System, Physician Network Board of Directors
2012-2014	John Muir Health System, Strategic Planning Committee member
2013	Consultant, United Nations Population Division
2014–2018	NIH study section member, Social Sciences and Population Studies SSPB
2015	National Academy of Science's Committee on Population: Steering Committee member for the Workshop on Priorities for Strengthening the Scientific Foundation for Policymaking to Meet the Challenges of Aging in Latin America
2017-	Milken Institute Center for the Future of Aging Board of Academic and Policy Advisors
2018-20, 22-	Policies for Action (RWJF/Urban Institute), National Advisory Committee member
2018-2019	American Society of Health Economists, Awards Committee member
2018-2019	Chair, Population Association of America's Early Achievement Award Committee
2020-2023	AcademyHealth Education Council member
2021-	Annual Review of Public Health, editorial board member
2022-	PAA Government and Public Affairs Committee member, Chair 2025-
2022-2023	Vice President, Association of Population Centers
2023-	HAALSI Health and Aging in Africa: Longitudinal Studies in South Africa, Advisory Council member
2023-	National Longitudinal Study of Adolescent to Adult Health (Add Health) Data Monitoring Committee
2025-	Gateway Exposome Coordinating Center for Alzheimer's Disease (AD) and AD Related Dementias (ADRD) Research (GECC) advisory board

Referee for Professional Journals

American Journal of Agricultural Economics, American Journal of Public Health, BMJ, Contemporary Economic Policy, Demography, Economic Development and Cultural Change, Economic Inquiry, Economics of Education Review, Health Affairs, Health Economics, Health Policy, Health Policy and Planning, Health Services Research, International Economic Review, JAMA, Journal of Development Economics, Journal of Health and Population in Developing Countries, Journal of Health Economics, Journal of Human Resources, Journal of Policy Analysis and Management, Journal of Political Economy, Journal of Public Economics, Journal of Public Health Dentistry, Medical Care, Nature Communications, PNAS, Social Science and Medicine, Southern Economic Journal, Value in Health, World Bank Economic Review

University Service (major service <u>underlined</u>)

1999-2000	Co-Chair, Faculty Working Group on "Living Wages" (UNC-CH))
1999	Faculty Search Committee, Pharmaceutical Policy and Evaluative Sciences (UNC-CH)
2000-2004	Advisory Council member, Carolina Population Center (UNC-CH)
2004-	Health Policy PhD program, Executive Committee member and admissions committee
2005-06	Global Health Sciences Interdisciplinary Curriculum Committee member (UCSF)
2005-	<u>Associate Director, Berkeley Population Center</u>
2006-2008	Health & Immigration Consortium, faculty co-chair
2006-2010	Global Health Sciences, Steering Committee member (UCSF)
2006-2012	<u>Chair, Health Services and Policy Analysis (HSPA) PhD program</u>

2007-2008 Faculty Search Committee, Demography
2008-2010 Advisory Committee, Institute for Business and Economic Research
2008-2009 UC Graduate Student Health Insurance Working Group member (Univ. of California)
2009- Advisory Board, Institute for Research on Labor and Employment
2009-2013 Associate Director, Center on the Economics and Demography of Aging
2013 Search committee member, D-Lab Director
2013- Director, Center on the Economics and Demography of Aging (CEDA)
2017-2018 Chair, Faculty Search Committee, Demography
2019-20, 21-23 Chair, Health Policy PhD program
2020-21, 23-24 Equity advisor, Health Policy PhD program
2020-2022 Space Assignments and Capital Improvements Committee member
2020-2023 Graduate Council member (vice chair, 2021-23), Academic Senate
2023-2024 Committee on Rules and Elections member, Academic Senate

School of Public Health Service

1999-2003 HPAA Doctoral Steering Committee member (UNC-CH)
2000-2004 HPAA Global Health Committee member (UNC-CH)
2001-2004 SPH Global Health Committee member (UNC-CH)
2003-2004 Director, HPAA Global Health Program (UNC-CH)
2004-2005 Research Committee member (UC-Berkeley SPH)
2006- Joint Medical Program core faculty member (UC-Berkeley/UCSF)
2006-2008 Faculty Search Committee, Maternal and Child Health
2006-2010 Curriculum Committee member
2007-2008 Strategic Planning Task Force
2009-2012 Faculty Advisory Council member
2011-12 Chair, In-Residence faculty search committee
2011-12 Co-chair, Faculty Council
2012-15 Chair, SPH Building Workgroup/Committee
2012-13 SPH Dean Search Committee member
2012-14 Head, Division of Health Policy and Management
2013-14 Academic Personnel Committee member
2014-15 Co-chair, Strategic Planning research workgroup
2014-15 Education Policy and Curriculum Committee member
2014-15 Associate Dean for Research, School of Public Health
2017-18 Chair, Faculty Search Committee, Data Science
2018-19 Interim Dean, School of Public Health
2019- Online Education Faculty Steering Committee member
2019-24 GSI Adviser, Division of Health Policy and Management
2020-22 Academic Personnel Committee member
2020-21 Admissions committee, Health Policy and Management
2020-21 Sexual Violence and Sexual Harassment Prevention Committee member
2020-23 Equity advisor liaison, Division of Health Policy and Management
2020-22 Anti-Racism Steering Committee member
2021-22 Latinx Health Policy faculty search committee, member and equity advisor
2021-22 Chair, Faculty Council
2022-23 Equity Advisor, School of Public Health

TEACHING EXPERIENCE

Courses taught

1999	Doctoral Seminar in Health Policy and Administration II, UNC-CH
1999-2000	Health Services Research Seminar (coordinator), UNC-CH
1999-2000	Doctoral Seminar in Health Policy and Administration I, UNC-CH
2000-2003	Triangle Health Economics Workshop (coordinator), UNC-CH
2001-2004	Advanced Methodology in HPAA Research, UNC-CH
2003-2004	Health Economics for Developing Countries (co-taught with J. Akin), UNC-CH
2005-2007	Research Methods for Health Services, UC-Berkeley (separate MPH and PhD courses)
2005-various	Health Economics, UC-Berkeley (separate MPH and PhD courses)
2006-various	Health Policy Core PhD Seminar
2007-various	Health Services Research Colloquium (coordinator of public series)
2008-various	Health Policy Dissertation Seminar
2012-2014	Health and Social Science Research Seminar (RWJ Scholars in Health Policy)
2017-	Economics of Population Health (residential and online)

PhD Dissertation Chair (UC Berkeley)

Ha Nguyen, *Effects of Demand Side Health Financing Programs in Developing Countries –Evidence from Vietnam* (2009 graduation). Initial placement: **Abt Associates.**

Yevgeniy Goryakin, *Labor Market Importance of Health in the Russian Federation* (2009 graduation).

Sepideh Modrek (postdoc, Stanford University), *Effects of Income Inequality on Health in Costa Rica* (2009 graduation). Initial placement*:* **Postdoc, Stanford University.**

Jenny Liu, *Privatization and Entrepreneurship in China: Are Health and Health Insurance Driving Selection in the Labor Market?* (2010 graduation). Initial placement: **Postdoc, RAND.**

Carrie Hoverman Colla**,** *Effects of San Francisco Employer Health Spending Mandate* (2010 graduation). Initial placement: **Assistant Professor, Dartmouth Medical School.**

Justin White. *A Team-Based Behavioral Economics Experiment on Smoking Cessation* (2013 graduation). Initial placement: **Postdoc, Stanford University**.

Soledad Martinez. *Role of the public primary care network in accessing primary care services in Chile* (2014 graduation). Initial placement: **Assistant Professor, School of Public Health, University of Chile.**

Jing Li. *Altruism and Efficiency Preferences of U.S Medical Students and Their Expected Specialty Choice* (2016 graduation). Initial placement: **Assistant Professor, Weill Cornell Medical College, Cornell University**.

Zach Wagner. *Working With Community Health Workers to Increase Use of ORS and Zinc to Treat Child Diarrhea In Uganda: A Cluster Randomized Controlled Trial* (2017 graduation). Initial placement: **Postdoc, Stanford University.**

Kevin Feeney. *Cash Transfers and Adult Mortality: Evidence from Pension Policies* (2017 graduation). Initial placement: **Postdoc, University of Southern California.**

Paulette Cha. *Essays on Health Economics and Immigration* (2017 graduation). Initial placement: **Postdoc, UCLA.**

Chaoran Guo. *Social Learning in Health Insurance Choices: Evidence from Employer-Sponsored Health Plans* (2018 graduation). Initial placement: **Assistant Professor, Economics Department, China University of Hong Kong.**

Drew Cameron. *The effect of short-term subsidies on future demand for potable water in rural Bihar, India: A randomized controlled trial* (2020 graduation). Initial placement: **Assistant Professor, School of Public Health, Yale University.**

Chris Lowenstein. *Essays on labor markets and health: Employment conditions and drug, suicide, and alcohol-related mortality among working-age adults in the United States* (2021 graduation). Initial placement: **Postdoc, Stanford University**.

Maria Dieci. *Patient vs. provider incentives for malaria care: A cluster randomized controlled trial in Kenyan pharmacies* (2022 graduation). Initial placement: **Assistant Professor, School of Public Health, Emory University.**

Robert Schell. *Understanding the Role of Socioeconomic, Health Behavioral, and Genetic Factors in Cardiovascular Disease Risk* (2023 graduation). Initial placement: **Analysis Group**.

Felipe Menares. *The Impact of Disease-Specific Health Insurance Reform on Mortality and Healthcare* (2023 graduation). Initial placement: **Postdoc, UC Berkeley**.

Calvin Chiu. *Essays in Health Economics: Increasing Uptake of Healthcare Services in Low-and Middle-Income Countries* (2023 graduation). Initial placement: **Assistant Professor, UCSF**.

Pooja Suri. *Maternal Health Decision-making in Multigenerational Households: Evidence from Field Experiments in India* (2024 graduation). Initial placement: **Postdoc, Stanford University**.

Postdoctoral / Early Career Mentoring (with *initial placement*)

Seema Jayachandran (***Assistant Professor of Economics, Stanford University***). Mentor during 2004-2006 Robert Wood Johnson Scholars in Health Policy Postdoctoral training at UC Berkeley.

Omer Gersten (***Demographer at Academia Sinica, Taiwan***). Postdoctoral Fellow Mentor at UC Berkeley in 2007 following his graduation with a PhD in Demography from UC Berkeley.

Jenna Nobles (***Assistant Professor of Sociology at University of Wisconsin, Madison***). Mentor during 2007-2009 Robert Wood Johnson Health and Society postdoctoral training at UC Berkeley.

Barbara Laraia (***Assistant Professor in the Department of Medicine at UCSF***). Member, Advisory committee for 2004-2009 K01 Mentored Research Development Award from NIH: *Socio-Environmental Influences on Nutrition and Obesity*

Grant Miller (***Assistant Professor of Medicine at Stanford University***). Member, Advisory committee for 2007-2012 K01 Mentored Research Development Award from NIH: *The Causes and Behavioral Foundations of Mortality Decline in Developing Countries*

Jessica Jones-Smith (***Assistant Professor, School of Public Health, Johns Hopkins University***). Mentor for 2012-2014 K99 award from NIH: *The Effects of Increasing Economic Resources on Obesity: A Quasi-Experimental Study*

Sandi McCoy (***Postdoctoral Fellow, UC-Berkeley***). Co-mentor for 2011-2016 K01 Mentored Research Development Award from NIH: *Agricultural Livelihoods, Food Security, and Women's Risk of HIV Infection*

Jennifer Falbe (***Assistant Professor, UC-Davis***). Co-mentor for 2018-2022 K01 Mentored Research Development Award from NIH: *Reducing sugar-sweetened beverage consumption among young adults: A point-of-selection experiment*.

Jordan Weiss (***Researcher, Stanford University***). Mentor for 2020-2022 NIA T32 Postdoctoral Traineeship in the Demography of Aging.

Mao-Mei Liu (***Assistant Researcher, UC-Berkeley***). Mentor for 2020-2022 NIA Re-Entry supplement: *Racial and migrant health disparities in cognitive aging among Puerto Ricans*

Julia Goodman (***Assistant Professor, Oregon Health Sciences University / Portland State University***). Mentorship committee for 2020-2022 NIH BIRCWH K12 traineeship: *Identifying and addressing work-related barriers to care among pregnant and postpartum women*

Hannah Thompson (***Research Scientist, UC-Berkeley***). Co-mentor for 2021-2026 K01 Mentored Research Development Award from NIH: *Increasing compliance with physical education laws to reduce health inequities*

PAPER PRESENTATIONS AND CONFERENCES

National/International Conference Paper Presentations
Northeast Universities Development Conference, Yale, 1994
Northeast Universities Development Conference, Harvard University, 1995
Northeast Universities Development Conference, Boston University, 1996
7th Annual Health Economics Conference, Boston University, 1996

VI Seminar on Applied Statistics, Inter-American Statistical Institute, Costa Rica, 1997
Econometric Society winter meeting, 1997
Western Economic Association annual meeting, 1997
Northeast Universities Development Conference, Williams College, 1997
Population Association of America annual meeting, 1997
American Economics Association annual meetings, HERO session, 1998
International Seminar on Central American Population at the End of the Millenium, 1999
American Agricultural Economics Association winter meeting, 1999
Population Association of America annual meeting, 1999
International Health Economics Association 2nd world congress, 1999
12th Annual Health Economics Conference, Duke, 2001
Population Association of America annual meeting, 2002
IUSSP seminar on Poverty, Programs and Demographic Outcomes, Mexico City, 2003
American Public Health Association annual meeting, 2003
Population Association of America annual meeting, 2003
NBER Summer Institute, 2003
International Health Economics Association 4th world congress, 2003
14th Annual Health Economics Conference, RAND, 2003
American Economics Association annual meeting, HERO session, 2003
Gerontological Society of America annual meeting, 2004
Population Association of America annual meeting, 2004
NBER Health Care meeting, 2004
Population Association of America annual meeting poster session, 2005
American Economics Association annual meetings, 2005
AcademyHealth Annual Research Meeting, 2007
NBER Frontiers in Health Policy Research meeting, 2007
ERIU Economic Research Initiative on the Uninsured summer meeting, 2007
International Health Economics Association world congress, 2007
American Public Health Association annual meeting, 2008
AcademyHealth Annual Research Meeting, 2008
American Society of Health Economists annual meeting, 2008
AcademyHealth Annual Research Meeting, 2009 (3 papers presented by coauthors)
Population Association of America annual meeting, 2009 (2 papers presented by coauthors)
International Health Economics Association world congress, 2009 (papers presented by coauthors)
American Economics Association annual meeting, 2010 (paper presented by coauthor)
Population Association of America annual meeting, 2010
American Society of Health Economists annual meeting, 2010
Population Association of America annual meeting, 2011
International Health Economics Association world congress, 2011
Population Association of America annual meeting, 2012
American Society of Health Economists annual meeting, 2012
International Health Economics Association world congress, 2013
International Health Economics Association world congress, 2014
Population Association of America annual meeting, 2015
Population Association of America annual meeting 2018
Robert Wood Johnson Foundation, Action Research Symposium, 2021
Population Association of America annual meeting 2025

Other Invited Research Presentations
University of Minnesota, School of Public Health seminar, 1994
University of Minnesota, Development Economics workshop, 1994

RAND, Aging, Development, and Population Workshop, 1995
CIDE, Department of Economics, Mexico City, 1995
University of Southern California, Economic Development seminar, 1996
UCLA Labor and Population Workshop, 1997
Abt Associates, invited seminar, 1997
Cornell University, Department of Health Policy and Management, 1998
Iowa State University, Economics Department, 1998
SUNY Stony Brook, Economics Department, 1998
Texas A&M University, Economics Department, 1998
University of Illinois, Agriculture and Consumer Economics Department, 1998
University of North Carolina, Department of Health Policy and Administration, 1998
Nihon University, Japan, Population Research Institute, 1998
University of North Carolina, Carolina Population Center seminar, 1999
East Carolina University, Economics Department Workshop, 2000
University of North Carolina, Triangle Health Economics Workshop, 2000
University of North Carolina, Health Services Research Seminar, 2000
University of North Carolina, Maternal and Child Health Seminar, 2000
International Seminar on Pharmaceutical Economics and Administration, 2001
North Carolina State University, Labor Economics Workshop, 2002
RAND, Health Economics Workshop, 2002
Max Planck Institute for Demographic Research, invited seminar, 2003
University of Costa Rica, Central American Population Center seminar, 2003
University of North Carolina at Greensboro, Economics Department workshop, 2003
University of California at Berkeley, School of Public Health, 2004
Yale University, School of Public Health, 2004
University of California at Los Angeles, School of Public Health, 2004
University of South Florida, Economic Seminar, 2004
Medical University of South Carolina, 2004
Duke University, Fuqua School of Business, 2004
Harvard/BU/MIT Health Economics Seminar, 2004
MacArthur Network on Socioeconomic Status and Health, 2005
UC-Irvine, Applied Micro Seminar, 2005
UCLA, Population Workshop, 2005
UNC-Chapel Hill, Triangle Health Economics Workshop, 2005
Stanford University, Health Research and Policy Seminar, 2005
MacArthur Network on Socioeconomic Status and Health, 2006
Capital Campus, CA legislative staff retreat, 2007
National Public Health Institute (INSP), Mexico, 2008
Duke University, Hewlett conference on poverty, population and health dynamics, 2008
University of Illinois at Chicago, Health Economics Seminar, 2008
University of Chicago, Health Economics Seminar, 2008
UC Berkeley Petris Symposium on Health Care Reform, 2009
UC Program on Access to Care, Sacramento Policy Briefing, 2009
UCSF, Center on Social Disparities in Health seminar, 2009
UCLA, Biodemography Miniconference, 2009
Stanford University, Morrison population colloquium, 2009
UCSF Institute for Health Policy Studies colloquium, 2010
T. Paul Schultz Festschrift, 2010

National University Singapore's Centre for Family and Population Research, 2025

GRANTS AWARDED

Principal Investigator
Yale/Mellon Foundation area-studies related grant, 1992-1994.
Yale/Rockefeller Foundation dissertation support fellowship, 1994-1995.
NIH/Fogarty & JSPS Short-Term Invitation Fellowship for Research in Japan, 1998.
NICHD R03 grant, "Maternal Mortality Effects of Abortion Legalization" ($99,930), 1998-2001.
NICHD R03 grant, "Mortality Effects of Health Insurance" ($99, 956), 1998-2001.
UNC/Glaxo Program on Health Outcomes grant, "Postpartum Length of Stay and Infant Health Outcomes" ($8,994), 2000-2001.
NICHD R01 grant, "Economic Determinants of Mortality" ($270,000), 2001-04.
UNC/Mellon small grant, "Rural-Urban Trends in Transition China" ($18,194), 2002-03.
UNC/NIA pilot grant, "Costa Rican Healthy Aging Study" ($12,714), 2002-03. *Pilot grant to explore possible new aging survey in Costa Rica*.

Berkeley Futures Grant, "Berkeley Population Center" ($34,000), 2005-06. *Seed grant to establish the Berkeley Population Center*.

UCSF/MacArthur Foundation, "Allostatic Load and SES in Costa Rica" ($20,346), 2006-07. *Funds pilot biomarker assays in Costa Rican CRELES survey*.

NIA supplement to UC-Berkeley P30 Center on the Economics and Demography of Aging, "Costa Rican Census Mortality Linkage" ($42,270), 2007-09. *Creates new database linking 1984 individual Costa Rican census records to national death index.*

NIA R01 grant, "Costa Rican Health and Retirement Survey" ($1,636,723), 2008-15. *Fields 2010 and 2012 waves of a longitudinal health and retirement survey of Costa Ricans born 1945-55, complementing pre-1945 birth cohort CRELES surveys in 2005, 2007, and 2009.* www.creles.berkeley.edu

Robert Wood Johnson Foundation grant, "Effects of San Francisco Employer Health Spending Mandate" ($171,094), 2008-2011. Co-funded by UC California Program on Access to Care, and Labor & Employment Research Fund ($160,000), 2006-2011. *Fields baseline and follow-up waves of a new longitudinal Bay Area Employer Health Benefits Survey to analyze the impact of San Francisco's employer health spending ordinance.*

Hewlett Foundation grant, "Poverty, Gender Inequities, and Sexual/Reproductive Health: An Impact Evaluation of a Combined Economic and Psycho-social Intervention in southern Tanzania." (2008-2011), PI: Dow ($800,927). Co-funded by World Bank $1,128,968, PI: de Walque; and NBER Africa Fund/Gates Foundation $60,000, PI: Dow, 2008-11. *Design, implement, and evaluate a randomized AIDS/STI prevention trial in southern Tanzania using conditional cash transfers to reward young adults who reduce risky sexual behaviors.*

NIA RC4 grant, "HIV Screening Take-up: Evaluating Incentives and Opt-out Strategies" ($910,993), 2010-13. *Fields a behavioral economics experiment to test opt-out and incentive-based strategies for increasing HIV screening rates*.

CEDA/NIA and Berkeley Population Center/NICHD pilot grants, "Using Group Commitment to Promote Smoking Cessation in Thailand" ($35,000), 2010-12. *Fields randomized behavioral economics trial using commitment devices with group support to promote smoking cessation.*

Brown Miller Communications for California Department of Health Care Services, "Long-Term Care Economic Insight Report" ($44,700), 2012. *Projects California's long-term care needs and informal caregiving burdens.*

NIDA R01 grant, "Smoking Cessation Contracts with Social and Monetary Incentives" ($1,857,704), 2013-17. *Behavioral economics project fields randomized trial to test commitment contracts, financial incentives, and social influences on smoking cessation in low resource settings*.

NIA R01 grant, "Studies in Global Mortality" (original PI: J. Wilmoth), 2014-15. *Extends the Human Mortality Database to additional years and countries*.

NIA R01 grant, "Variability of Mortality Levels and Trends by State in the United States" (original PI: J. Wilmoth), 2014-16. *Add state-level data to the Human Mortality Database.*

California Health Benefit Exchange, "Participation and Plan Choices within the 2016 California Individual Health Insurance Market" ($10,000), 2016-17. *Examine risk selection into the California individual health insurance market and between CoveredCA and related markets.*

Gates Foundation (subcontract from Pathfinder), "Addressing Provider Bias towards Serving Adolescents and Youth" ($319,911), 2017-19. *Test innovative solutions to reduce provider bias toward adolescent family planning*.

Robert Wood Johnson Foundation grant, "Evaluating the San Francisco Paid Parental Leave Ordinance" ($499,292), 2016-19. *Evaluate effects of San Francisco's ordinance requiring employers to pay for parental leave*. www.populationsciences.berkeley.edu/PPLO

Robert Wood Johnson Foundation grant (subaward from IWPR), "Work-Family Support and Health Research Hub" ($900,000), 2018-21. *Creates a research hub to study income-enhancement and workplace policies that help working parents care for their families and improve family health*.

NIA R01 grant, "Dementia Determinants in Caribbean and U.S. Hispanics" ($3,302,176), 2019-24. *International comparative analysis of life course determinants and consequences of dementia in Caribbean populations.*

NIA P30 grant, "Center on the Economics and Demography of Aging" ($3,987,384) 2014-2020, renewed ($3,753,224) 2020-25. *Center grant to promote UC-Berkeley research on the economics and demography of aging via a pilot grant mechanism, workshop support, and computer core.* *www.populationsciences.berkeley.edu/ceda*

Robert Wood Johnson Foundation grant, "Expanding research on economic and family policies that enhance incomes and well-being of low-wage working families and address racial disparities" ($1,250,000), 2022-2025. *Funds a research hub to study economic and family policies that could reduce racial disparities.*

NIA R01 grant, "Costa Rican Longevity and Healthy Aging Study (CRELES): Wave 4" ($3,080,471), 2025-29. *Fields new wave of the CRELES survey including internationally harmonized dementia assessment.*

Key personnel

NIA R03 grant, "Adult Mortality Response to Health Insurance" PI: A. Pebley, 1997-98.

NIA R03 grant, "The Value of Medicare" PI: M. Hurd ($49,974), 1997-98.

NICHD P01/R01, "Health, Human Capital, and the Labor Market" PI: D. Thomas, 1998-02.

NICHD R01 grant, "Economic Transition: The Effects on Health Care in China" PI: J. Akin, 2001-2005.

Wellcome Trust, "Costa Rican Healthy Aging" PI: L. Rosero-Bixby ($1,538,000), 2004-2009. Role: Co-PI. *Establish the Costa Rican Longevity and Healthy Aging Study (CRELES).*

Robert Wood Johnson Foundation grant, "The Earned Income Tax Credit and Child Obesity: Modifying Effects of Food Prices and Neighborhood" PI: D. Rehkopf, 2009-2011. *Examines the effects of the earned income tax credit on child obesity.*

NIDDK R01 grant, "Neighborhood Effects on Weight Change and Diabetes Risk Factors" PI: B. Laraia, 2009-2014. *Creates a longitudinal database of neighborhood characteristics to assess causal effects of neighborhood food environment on metabolic markers of risk among diabetics at Kaiser.*

NICHD R21 grant, "Yo Puedo: Future Opportunities for Youth" PI: A. Minnis, 2010-12. *Formative project to pilot randomized conditional cash transfers intervention to reduce unintended pregnancy among Latina youth in San Francisco.*

NICHD T32 grant, "Interdisciplinary Training in Demography" PI: R. Lee, 2011-2016. Role: Co-Director. *Multidisciplinary training grant for predoctoral students in population sciences.*

Commonwealth Fund, "Risk Stabilization and Coverage Expansion (RISC): The Individual Health Insurance Market in California." PI: J. Hsu, 2013-14. *Survey a sample of new enrollees in the CoveredCA health insurance exchange to assess risk balance and market stability*.

NICHD DP2 grant, "A Rigorous System to Determine the Health Impacts of Policies and Programs" PI: J. Ahern, 2013-18. *Develop web-based tool using population health data to analyze health impacts of public policies, with special application to criminal justice policy in California.*

NIA R01 supplement, "Integrating Information about Aging Surveys." PI: Jinkook Lee, 2014-17. *Add Costa Rican CRELES survey to the Gateway to Global Aging Data website*.

CDC (UCSF subcontract), "Economic Modeling for Prevention of Disease" PI: J. Kahn, 2014-19. *Provide methodological guidance on economic models of disease prevention.*

EASST (East Africa Social Science Translation)/CEGA, "Working with Village Health Teams to Increase ORS Use in Uganda: A Randomized Controlled Trial" 2015-17. *Fielding an RCT to test innovative approaches to increasing use of oral rehydration therapy.*

Strategic Impact Evaluation Fund / World Bank, "RESPECT Study for women at high risk of HIV infection in Dar-es-Salaam, Tanzania" PI: D. de Walque, 2015-20. Role: Co-PI. *Design and field randomized trial of an incentive-based intervention to reduce HIV risk.*

NIMH R01 grant, “Optimizing the Efficiency and Implementation of Cash Transfers to Improve Adherence to Antiretroviral Therapy” PI: S. McCoy, 2017-2022. *Evaluate viral suppression effects of an ART-linked cash transfer intervention.*

NIMH R21 grant, “Effectiveness of a short-term incentive program for HIV treatment adherence, retention, and re-engagement in care” PI: S. McCoy, 2018-2020. *Evaluate the long-term effectiveness of an incentive-based intervention for Tanzanian adults living with HIV infection that improved short-term retention in care and adherence to antiretroviral treatment.*

AHRQ T32 grant, “Berkeley Health Services Research Training Program” PI: S. Shortell 2013-18, renewed 2018-2023). Role: Associate Director. *Predoctoral training grant in health services research.*

NICHD R24/P2C center grants, “Berkeley Population Center” PI: M. Hout 2013-2018, renewal PI: J. Goldstein 2019-2024. Role: Associate Director. *Core funding for campus-wide population center that Dow led effort in founding.*

CA Preterm Birth Initiative/UCSF, “Evaluating the effect of San Francisco’s Paid Parental Leave Ordinance on preterm birth.” PI: D. Karasek, 2020.

NICHD R01 grant, “Community violence and disparities in maternal and infant health: effects and mechanisms” PI: J. Ahern, 2020-2024. Role: Co-investigator. Q*uantify the effects of community violence on burden of and disparities in maternal and infant health outcomes, and to examine psychological, behavioral and biological mechanisms that underline these effects.*
