4/5/2020

Hi everyone,

As promised, here is updated information about the next phase of remote learning. After receiving feedback from a number of sources including MA DESE, college representatives, local schools, counselors, teachers, students, and parents, we have made a few adjustments. It is important to know that each day we are learning the best ways to move forward with the learning process. The following will be effective starting today:

Phase 3b - HWRHS Remote Learning Plan:

End Quarter 3 (This is a change)

1. Close Q3 as of 3/13/20 (end of week 7)
2. Give students from 3/25/20-4/5/20 to make up missing assignments only that were due on or before 3/13/20.
3. 3rd quarter grades will be reported as Credit or No Credit; 3rd quarter report cards will be available in Aspen on April 17th.

Start Quarter 4 - Starting April 6

1. Start Q4 on April 6.
2. All work will be expected to be completed.
3. Teachers will add assignments to Aspen.
4. All assignments will be Credit or No Credit.
5. The grade for Q4 will be reported as Credit or No Credit.
6. The grade for semester 2 will be reported as Credit or No-Credit

This rubric will be used:

NO CREDIT YET	CREDIT
I did not complete the work or assignment or I partially completed the work, but not at the level expected by my teacher.	I have completed the work at the level expected by my teacher and/or incorporated the feedback my teacher gave me.

We will continue to review our plans weekly and make changes as necessary. Please reach out if you have any questions.

I hope your families are all safe and healthy!

Eric Tracy
