

Couples Golf Club Member New Website Password Creation

Here are instructions on how a current Couples Golf member can quickly and easily set up their online account with the new Couples Golf website.

1. While at the Couples Golf website, <https://shcouples.com/> the member should click on one of the following buttons, Member Info, Events or Resources. These are “members only” pages. Clicking on a members-only page without logging in first will result in a Log In box popping up.

2. If this is the first time the member has entered the new website, they should click on the words, “Sign Up” located near the top of the screen.

4. At this point, the member should enter the email address that is on file with the Couples Golf Club and create a password that they wish to use for this website. The member may need to retrieve a 6-digit code from an email generated by Wix as a security measure. The member then enters the 6-digit code.
