Discipleship

Is there something holding
you back in your relationship
with Jesus? What would help
you grow? Let us know how we
can help.

Wednesday Night Bible Study

Starting Wednesday 8/7, we'll
be studying Jesus in the Old
Testament. We will look at
the prophecies that point to
His earthly ministry and His
work leading up to His birth.
Join us!

Community Outreach

Starting this fall, we will
be hitting the streets in
service of the surrounding
community. This process needs
to be covered in prayer so
that's where we're going to
start. Please be praying for
ways we can show the love of
Jesus to those He has called
us to serve. Pray that we can
be faithful in our service
and that God be glorified as
we move forward.

Business Meeting Notes

The plan for our future baptistry was approved. We are working on a drawing to share with the church prior to the rebuild commencing. Stay tuned for updates.

Fall Festival

Initial planning has started on a fall festival later this year. We're hoping to have it sometime in September through mid-October. Let us know if you would like to help us plan this event. We'll be putting out a sign up sheet for volunteers once a date is set.

Building & Grounds

The baptistry demolition is just about complete. We will have one more day of demolition in preparation for the rebuild. Thank you to all who have joined us in working on the facilities God has blessed CHBC with.

Grayson Baptist Association

Bro. Bobby Fletcher announced his retirement after 15 years of service as the Director of Missions. Be in prayer for Bobby and his wife Janice as they begin this new season in their life. Also be in prayer for the GBA as the search for his replacement continues.

Letter from the Pastor

I've now been serving as the pastor of CHBC for a little over a year. I've seen God do some amazing things. God has to remind me regularly that everything is in His time, not mine. Thankfully God is so much more patient with me than I tend to be. I'm so excited to see what He has planned for my church family. There is a path already laid out before us and a time appointed for us to reach the finish line. I want to get there now. I tend to forget that the journey down that path can be just as important as the destination. It has been an honor to serve this family and I look forward to seeing what God has in store as we walk His path together. Love Yall!
